* Because of the varied pricing arrangements based on availability and volume discounts available to many retail establishments, the calculation of frame pricing may vary at these locations.

** Due to Wal-Mart/Sam's Club Every Day Low Prices, Wal-Mart/Sam's Club has already applied deep discounts to their product's retail prices. Therefore, because their retail prices may be less than other providers, Wal-Mart/Sam's Club does not apply any additional discounts to their retail prices.

Note: Since individual providers may elect to terminate their agreement at any time, the status of individual providers is subject to change. Please confirm provider participation prior to your visit.
