PROCEDURES FOR OPENING A BUSINESS

1. Apply for a business license and pay a \$25.00 application process fee to the City of Mission, 1201 E. 8th Street, building permits department.
 - The application process takes three working days within the *Planning Department* (956) 580-8672. Once the Planning Department has reviewed your application it will be given to a building inspector, who will set up an appointment to inspect the business location, someone must be at the site.
 - After the building inspector confirms the inspection has passed, the building permit clerks will provide any information to the light company of your choice. An ESI # (which begins with 100327894-_____) needs to be provided in order for the information to be processed to the light company, this number is assigned by the light company providing the service.
