CITY OF MISSION

"Home of the Grapefruit"

April 23, 2019

To the Honorable Mayor,
Members of the City Council,
and Citizens of the City of Mission, Texas:

The Comprehensive Annual Financial Report (the CAFR) of the City of Mission, Texas (the City) for the fiscal year ended September 30, 2018, is submitted in accordance with Section 3.14 of the City Charter.

This report contains management's representations concerning the finances of the City of Mission; consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the City of Mission has established a comprehensive internal control framework that is designed to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City of Mission's financial statements in conformity with GAAP. Because the cost of internal controls should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

Burton McCumber & Longoria, LLP, has issued an unmodified ("clean") opinion on the City's financial statements for the year ended September 30, 2018. The independent auditor's report is located at the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview and analysis of the basic financial statements. MD&A complements this transmittal letter and should be read in conjunction with it.

The City is required to undergo an annual single audit in conformity with the provisions of the Uniform Guidance and Texas Uniform Grant Management Standards. Information related to the single audit, including the Schedule of Expenditures of Federal and State Awards, findings and recommendations, and auditor's reports on the internal control structure and compliance with applicable laws and regulations are included in the single audit report.

CITY PROFILE AND STRUCTURE

The City of Mission was incorporated on March 19, 1910 and is located along the U.S. - Mexico border in South Texas. The City currently occupies a land area of approximately 35.42 square miles. The City's population has grown since the 2000 census from 45,408 to 77,058 as per the 2010 census, an increase of 70%. The City is empowered to levy a property tax on both real and personal property located within its boundaries and it is empowered by state statute to extend its corporate limits by annexation, when deemed appropriate by the City Council.

The City of Mission is a political subdivision located in Hidalgo County operating as a home rule city under the City's Home Rule Charter, which was last amended on May 10, 2008. The City operates under a Council/Manager form of government where the Mayor and four Council members are elected at large to four-year staggered terms. The City Council is responsible, among other things, to enact local legislation, adopt budgets, determine policies and appoint the City Manager and City Attorney. The City Manager is responsible for executing the policies and ordinances of the City Council, for overseeing the day-to-day operations of the City, and for appointing the heads of the City's departments.

The City provides a full range of services, including police and fire protection; the construction and maintenance of streets and other infrastructure; recreational and cultural events; water, sewer, and sanitation services; and a municipal golf course.

Budget

The annual budget serves as the foundation for the City's financial planning and control. The department heads of the City are required to submit requests for appropriations to the City Manager by the second Friday in June; the City Manager uses these requests as the starting point in developing a proposed budget. The City Manager then presents the proposed budget to the City Council for their review by mid-August. The City Council is required to hold public hearings on the proposed budget and to adopt a final budget no later than fifteen (15) days prior to October 1; the beginning of the new fiscal year. The budget is prepared in order of fund, function, and department. The legal level of budgetary control is in the department level within each fund. Any change to the original budget, which will exceed or deplete the appropriated amount at the department level requires City Council approval. Any change to the original departmental budget between line items will be processed through a budget reclassification form, which requires the approval of the City Manager, Finance Director, and Department Head. Budget adjustments may not be made between different departments nor can they be used to increase or decrease wages and benefits; such changes will require City Council approval.

LOCAL ECONOMY

Mission is one of the major cities of the McAllen-Edinburg-Mission Metropolitan Statistical Area (MSA). Mission is among the fastest growing cities in the Rio Grande Valley, State of Texas, and United States.

Because of the semi-tropical weather, culture, friendliness, and proximity to Mexico, Mission has become home to “Winter Texans” for four to six months out of the year. Winter Texans are mostly retired citizens from northern states who visit the Rio Grande Valley to escape the cold winter weather. Thousands of visitors from Mexico also contribute to the economy of the City. The City currently has eleven businesses that provide lodging to tourists.

Over the past nine years, the City of Mission has experienced significant economic growth and investment. More than \$594 million in residential and commercial development has been completed or is in various phases throughout the City. The increase in commercial and residential development has contributed to the decline in the unemployment rate for the City of Mission. According to the Texas Labor Market Information website, the City’s unemployment rate decreased from 6.5% to 5.8% as of November 2018.

The City of Mission, Mission Regional Medical Center, Sharyland Independent School District, and Mission Consolidated Independent School District, also have a significant economic presence, employing more than 5,700 professionals, teachers, and support staff.

The City continues to work very closely with the MRA and Hunt Valley Development to promote development along the Anzalduas Highway, which was completed during FY 2013. The MRA is completing the installation of wastewater infrastructure in the area. It is expected that once the area is fully developed, both property and sales tax revenues will increase. For FY 2018, sales tax reflected an increase of 4.35% compared to prior year.

The following list identifies the major accomplishments that the City has undertaken to improve the community and its economy.

Fiscal Year 2017-2018 Accomplishments

- Maintained the Tax Freeze for the elderly and disabled as well as the \$10,000 Tax Exemption for the elderly and disabled.
- The City was awarded \$2.95 million in State and Federal Grants for housing, public safety services and equipment, park improvements, homeless prevention programs, and education programs.
- Eight new homes were reconstructed and three homes were rehabilitated by the CDBG housing program during the year and two were approved towards the end of the fiscal year to be constructed in the FY 2019.
- Completed Phase II of the Taylor Road Expansion Project.
- Commenced Phase III of the Taylor Road Expansion Project. This project will be funded through an inter-local agreement with City of Mission, City of McAllen, and Hidalgo County.
- Completed park improvements at various parks throughout the city, to include two new dog park areas in existing parks.
- Completed the construction of the Mission Event Center.
- Continued the construction of the Wastewater Treatment Plant Expansion Project.
- Completed the construction of a water tower next to the Mission Event Center.

- Commenced the design and preliminary engineering work for the interconnecting roadways for the future Inspiration Road/Military Parkway Loop.
- Completed park renovation project at Leo Pena Placita Park.
- Completed the Mile 2 North expansion project from Conway Avenue to Inspiration Road.
- Completed the Mile 2 North expansion project from Inspiration Road to Moorfield Road.
- Commenced a \$1.9 million Texas Parks & Wildlife and Valley Baptist Legacy Foundation Grant Project for a future Mission Tennis Center.

The following list identifies the major initiatives that the City has proposed in Annual Budget Report.

Major Initiatives For Fiscal Year 2018-2019

- Commence the collection of in-house commercial sanitation pickup for the residents of our city.
- Introduce a recycling collection program in our sanitation department for our residents.
- Complete the Mission Tennis Center.
- Commence a sewer line improvement project for the North Conway area.
- Commence the Bentsen Palm Development Phase II project to include construction of a lift station.
- Complete the Inspiration North Road Project from Hwy 83 to Mile 3.
- Complete the construction of the Wastewater Treatment Plant Expansion Project.
- Continue to work with the Mission Master Plan and grant applications for funding of park development projects.
- Commence the expansion of our Bannworth Gym to include classroom settings for use by our Boys & Girls Club program.
- Commence roof improvement projects of two municipal facilities.
- Continue Phase III of the Taylor Road Expansion Project. This project is funded through an inter-local agreement with City of Mission, City of McAllen, and Hidalgo County.
- Continue applying for federal and state grants that would enable the City to provide additional positions for the Police and Fire Departments.
- Continue the practice in the CDBG program of focusing solely on providing for the reconstruction of homes and the funding of several public agencies. Thirteen homes are currently budgeted for reconstruction with CDBG funds.
- Improve workplace safety and reduce the number of injury claims by implementing safety programs aimed at making employees aware of conditions around them and taking pro-active measures to correct problem areas and reduce general liability insurance and worker's compensation claims.

LONG-TERM FINANCIAL PLANNING

The City adopted a Fund Balance Policy on June 27, 2011 requiring the General Fund Unrestricted Fund Balance maintain a minimum of two (2) months of operating expenditures. Unrestricted Fund Balance is composed of unassigned, committed, and assigned net assets. The City did not meet this requirement at year-end with an ending Unrestricted Fund Balance of \$3,307,616. Careful long-term financial planning is an on-going goal for the City; therefore, it is the intent of the City Council

and management to meet the Fund Balance Policy requirement. The City fell short of meeting this requirement by \$4,052,693.

The City's FY 2018 Budget was prepared very conservatively based on current economic activity within our city. The City will continue to apply for federal and state grants and will continue to fund capital needs through the issuance of debt.

The City's Master Plan, which is constantly being reviewed, is used to guide city staff in meeting the future needs and demands of this fast growing community and still maintain the necessary fund balance.

AWARDS AND ACKNOWLEDGEMENTS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to City of Mission, Texas for its comprehensive annual financial report for the fiscal year ended September 30, 2017. This is the seventeenth consecutive year that the City has received this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report on a timely basis could not be accomplished without the efficient and dedicated services of the Finance Department. We would like to express our appreciation to all members of the Finance Department and other City departments who assisted and contributed to its preparation. Credit should also be given to the Mayor, City Council, MEDC and MRA, for their interest and support in planning and conducting the operations of the City in a responsible and progressive manner.

In conclusion, we would like to thank the City's auditing firm, Burton McCumber & Longoria, LLP., for their efforts, not only in the performance of the City's annual audit, but for their professionalism and dedication. They have been an excellent source of information for the preparation of the report.

Respectfully submitted,

Randy Perez

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor
And Members of the City Council
City of Mission, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units (except for the Mission Redevelopment Authority), each major fund, and the aggregate remaining fund information of the City of Mission, Texas (City) as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents. We did not audit the financial statements of the Mission Redevelopment Authority, which is a discretely presented component unit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of Mission Redevelopment Authority, which statements reflect total assets of \$15,982,377 as of September 30, 2018, and total revenues of \$5,309,368 for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Mission Redevelopment Authority, is based solely on the report of other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Mission, Texas, as of September 30, 2018, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison schedule information, and required supplementary information schedules as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, the other supplementary information section, the capital assets used in the operation of governmental funds section, the supplemental schedules section and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information section, the capital assets used in the operation of governmental funds section, and the supplemental schedules section are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 11, 2019, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the City of Mission, we offer the readers of the City of Mission's financial statements this narrative overview and analysis of the financial activities of the City of Mission for the fiscal year ended September 30, 2018. We encourage readers to consider the information presented here in conjunction with the additional information that has been furnished in our letter of transmittal, which can be found on pages 3-7 of this report.

Financial Highlights

- The assets and deferred outflows of the City exceeded liabilities and deferred inflows at the close of the most recent fiscal year by \$169,397,222 (net position).
- The City's total net position decreased by \$1,381,573. Governmental activities contributed a decrease of \$1,096,866 while the Business-type activities contributed a decrease of \$284,707. Total revenues reflect a decrease of 5.08% and total expenses reflect an increase by 2.67% compared to prior year.
- As of the close of the current fiscal year, the City's governmental funds reported a combined ending fund balance of \$10,150,621 an \$8,888,532 decrease in comparison with the prior year.
- At the end of the current fiscal year, the unassigned fund balance for the General Fund was (\$477,002).

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City of Mission's basic financial statements. The City of Mission's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements - The government-wide financial statements are designed to provide readers with a broad overview of the City of Mission's finances, in a manner similar to a private-sector business.

The ***Statement of Net Position*** - presents information on all the City of Mission's assets, deferred outflows, liabilities and deferred inflows with the difference between the four reported as ***net position***. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Mission is improving or deteriorating.

The ***Statement of Activities*** - presents information showing how the government's net position is reported as soon as the underlying event giving rise to the change occurs, regardless of the timing

of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation and sick leave).

Both of the government-wide financial statements distinguish functions of the City of Mission that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City of Mission include: general government; public safety; highways and streets; health and welfare; culture and recreation; and economic development. The business-type activities of the City of Mission include: a utility system (water and sewer); a golf course operation; and a solid waste operation.

The government-wide financial statements include not only the City of Mission itself (known as the primary government), but also legally separate component units for which the City of Mission is financially accountable. Financial information for these component units is reported separately from the financial information presented for the primary government itself. The government-wide financial statements can be found on pages 31 to 33 of this report.

Fund financial statements -A *fund* is a grouping of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The City of Mission, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the City of Mission funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds -*Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City of Mission maintains twenty-five (25) individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Debt Service Fund, Capital Projects Fund, which are considered major funds. Data of two additional funds is incorporated with the General Fund as a result of Governmental Accounting Standards Board (GASB) Statement No. 54. Data from the other nineteen governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major

governmental funds is provided in the form of *combining statements* starting on page 135 of this report.

The City of Mission adopts an annual appropriated budget for its General Fund. A budgetary comparison statement has been provided for the General Fund to demonstrate compliance with this budget. The basic governmental fund financial statements can be found on pages 34-37 of this report.

Proprietary Funds - The City of Mission maintains two different types of proprietary funds.

Enterprise funds are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City of Mission uses enterprise funds to account for its water and sewer system, golf course operation, and solid waste operation.

Internal Service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City of Mission uses an internal service fund to account for health insurance premiums, medical claims, and health administrative fees. Because this service predominantly benefits governmental rather than business-type functions, it has been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water and sewer system, golf course operations, and solid waste operations, all of which are considered to be major funds of the City of Mission. Conversely, the internal service fund is a single presentation in the proprietary fund financial statements. The basic proprietary fund financial statements can be found on pages 39-43 of this report.

Fiduciary Funds -Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is similar to that used for proprietary funds. The basic fiduciary fund financial statements can be found on pages 44-45 of this report.

Notes to the financial statements - The notes provide additional information that is essential for a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 46-109 of this report.

Other information -In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the City of Mission's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found on pages 113-130 of this report.

The combining statements referred to earlier, in connection with non-major governmental funds, are presented immediately following the required supplementary information on pensions. The combining statements and individual fund schedules begin on page 135 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City of Mission, assets and deferred outflows exceeded liabilities and deferred inflows by \$169,397,222 at the close of the most recent fiscal year.

The following table summarizes the City's net position at September 30, 2018.

City of Mission Net Position September 30, 2018						
	Governmental Activities		Business-type Activities		Total	
	2018	2017	2018	2017	2018	2017
Current and other assets	\$ 16,679,130	\$ 29,419,253	\$ 13,575,608	\$ 25,712,285	\$ 30,254,738	\$ 55,131,538

Unrestricted (deficit)	(12,357,324)	(3,781,146)	(270,361)	3,667,449	(12,627,685)	(113,697)
Total net position	\$ 101,779,343	\$ 106,446,447	\$ 67,617,879	\$ 68,774,915	\$ 169,397,222	\$ 175,221,362

By far the largest portion of the City's net position (99 percent) reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment) less any related debt used to acquire those assets that is still outstanding. The City of Mission uses these capital assets to provide services to its citizens; consequently, these assets are not available for future spending. Although the City of Mission's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The City's overall net position decreased \$5,824,140 from the prior fiscal year. The reasons for this overall decrease are discussed in the following sections for governmental activities and business-type activities.

Governmental Activities -During the current fiscal year, net position for governmental activities decreased \$4,667,104 from the prior fiscal year for an ending balance of \$101,779,343.

The city increased its net investment in capital assets by \$7,050,797. This fiscal year the city chose to invest in the beautification of the city by implementing a continuous plan of improvements of parks, city streets and city infrastructure. The city's goal is to enhance the quality of life for its citizens and encourage future development. These improvements will serve the current and future residents for years to come.

Analysis of Changes in Net Position

The following table summarizes the changes in the City's net position from its activities for the fiscal year ended September 30, 2018.

Total revenues generated from governmental activities for this year were \$52,137,586 reflecting a decrease of \$6,394,437 compared to last year.

- Capital grants and contributions decreased by \$6,941,452 from prior year while the operating grants and contributions decreased by \$539,798 compared to prior year.
- Other general revenue increased by \$250,905 compared to prior year.

Revenues by Source-Governmental Activities

The following graph displays the portion of expenses funded by program revenues. Overall, general revenues funded approximately 61% of total expenses for fiscal year 2018.

Expenses and Program Revenues-Governmental Activities

Expenses for governmental activities of the City totaled \$59,634,452 for the year ended September 30, 2018, an increase of 3.7% compared to fiscal year 2017. The most significant changes occurred in the following areas:

- General Government Activities increased by \$5,931,301
- Culture and Recreation decreased by \$5,780,391
- Highways and streets increased by \$1,850,111

Revenues by Source-Business-type Activities

Business-type Activities- Results of Business-type activities decreased the City of Mission's net position by \$284,707. Revenues increased by 7.29% and expenses increased by \$5,553 in comparison with prior year.

- Charges for Services increased by 10.25% in comparison to the prior year due to favorable weather in comparison with previous years.
- Charges for Services are 98.82% of the source of revenues for the business-type activities.

The following graph displays the portion of expenses funded by program revenues.

Expenses and Program Revenues-Business-type Activities

- Expenses for business-type activities of the City totaled \$23,561,394 an increase of \$5,553 compared to prior year.

Financial Analysis of Government's Funds

As noted earlier, the City of Mission uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds - The focus of the City of Mission governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City of Mission's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to a particular purpose by either the City of Mission, an external party, a group or individual that has been delegated authority to assign resources to be used for particular purposes by the City of Mission City Council.

As of September 30, 2018, the City of Mission's governmental funds reported a combined fund balance of \$10,150,621, a decrease of \$8,888,532 compared with the prior year. A majority of the decrease, \$5,467,928 was from the 2016 CO capital projects fund that was used for the funding of the Mission Events Center which began construction in FY 2017-2018.

The General Fund is the main operating fund of the City of Mission. At the end of the current fiscal year, the total fund balance was \$3,307,617 a decrease of \$3,076,474 compared to prior year, with the unassigned portion of the fund balance being (\$477,002). As a measure of the General Fund's liquidity; it is useful to compare both unassigned fund balance and total fund balance to total General Fund expenditures.

The Debt Service Fund, a major fund, had a \$324,436 decrease in fund balance during the current fiscal year. The decrease was due to a reduction of I&S property tax rate for FY17-18.

Other governmental funds decreased by \$5,487,622 in fund balance during the current fiscal year. The overall revenues for other governmental funds decreased by \$4,913,785 with the majority of the decrease in intergovernmental revenues, and the overall expenditures for other governmental funds decreased by \$14,510,299 with a majority of the decrease being related to the 2016 CO construction project being completed.

Revenues and Transfers-In

The following table presents a summary of General Fund, Special Revenue Funds, Debt Service Fund, and Capital Projects Funds revenues and transfers-in for the fiscal years ended September 30, 2018 and 2017.

- Intergovernmental revenues decreased due to the completion of capital projects being reimbursed by other agencies.

Revenues & Transfers-In	2018 Amount	% of Total	2017 Amount	Amount of Increase (Decrease)	% Increase (Decrease)
Taxes	\$ 36,217,365	58.91%	\$ 35,674,656	\$ 542,709	1.52%
Licenses and permits	528,545	0.86%	555,266	(26,721)	-4.81%
Intergovernmental	10,672,035	17.36%	16,844,356	(6,172,321)	-36.64%
Charges for services	1,273,238	2.07%	1,036,163	237,075	22.88%

Total	<u>\$ 61,479,555</u>	<u>100.00%</u>	<u>\$ 65,611,959</u>	<u>\$ (4,132,404)</u>	<u>-6.30%</u>

Expenditures and Transfers-Out

The following table presents a summary of General Fund, Special Revenue Funds, Debt Service Fund, and Capital Projects Funds expenditures, transfers-out, and other financing uses for the fiscal years ended September 30, 2018 and 2017. Major differences are due to:

- General government expenditures increased due to the transition of services in our Fleet department and additional expenditures in Organizational department related to construction.
- Capital Projects expenditures decreased due to the completion of several projects in 2018.

Expenditures & Transfers-Out	2018 Amount	Percent of Total	2017 Amount	Amount of Increase (Decrease)	Percent of Increase (Decrease)
General government	\$ 10,992,563	15.44%	\$ 9,782,891	\$ 1,209,672	12.37%

Highways and streets	7,201,117	10.12%	6,612,678	588,439	8.90%
Health and welfare	562,204	0.79%	459,447	102,757	22.37%
Culture and recreation	7,040,940	9.89%	6,676,409	364,531	5.46%
Economic development	5,619,555	7.89%	5,309,187	310,368	5.85%
Capital projects	8,782,432	12.34%	24,359,561	(15,577,129)	-63.95%
Debt service:					
Principal	2,762,660	3.88%	2,986,003	(223,343)	-7.48%
Interest and fiscal charges	1,480,270	2.08%	1,555,144	(74,874)	-4.81%
Transfers-out	3,855,384	5.42%	4,142,594	(287,210)	-6.93%
Total	<u>\$ 71,180,469</u>	<u>100.00%</u>	<u>\$ 83,744,885</u>	<u>\$ (12,564,416)</u>	<u>-15.00%</u>

Proprietary Funds. The City of Mission's Proprietary Funds provide the same type of information found in the government-wide financial statements, but in more detail.

At the end of the year, total unrestricted net position amounted to \$(122,552). The Utility Fund and the Solid Waste Fund had unrestricted net position of \$(255,341) and \$2,516,275, respectively. The Golf Course Fund ended the year with a deficit in unrestricted net position of (\$2,383,486). The Utility Fund unrestricted net position decreased by \$1,165,520.

The Golf Course Fund borrowed working capital from the Utility Fund in order to meet its daily operational expenses during the current year. Golf Course operating revenues reflect a decrease of \$50,548 from prior year. Expenses decreased by \$12,508 or 0.98% in comparison to prior year. Management continues to closely monitor expenses and to promote the Golf Course not only in the surrounding communities but also nationwide through various advertisement sources including Twitter, Facebook, and Google Plus.

The Solid Waste Fund commenced residential collections at the end of fiscal year 2014 and completed its four year of operations as of September 30, 2018. Total change in net position reflected a negative amount of \$857,864. Revenues increased by \$129,791 and expenses increased by \$517,259 compared to prior year. The commercial collection service is outsourced for the next six months, at which time the City will also provide this service in-house.

General Fund Budgetary Highlights

During the year the City Council amends the budget as necessary. Generally, adjustments to the budget relate to requests not considered during the normal budgetary process. Original estimated revenues were increased by \$75,000 while budgeted appropriations were increased by \$518,630 during the year.

- The most significant revenue variance (\$2,268,417) is reflected in reimbursements from Hidalgo County and City of McAllen for Taylor Road which has been phased out into three phases, the third of which has been deferred until the start of construction.
- Taxes revenues reflect a decrease of \$197,424 due to a decrease in the M&O rate for property taxes.
- Charges for Service revenues reflect a positive net variance of \$62,822 compared to the budgeted amount.
- Miscellaneous revenues also reflected a positive variance of \$297,315. Due to their very nature, miscellaneous revenues are budgeted at a conservative level, since most of the revenues are normally considered one-time revenues.
- Expenditures came in under budget largely due to departments closely monitoring expenditures and staying in line with the budget. The most significant savings are reflected in Highways and Streets with a total of \$2,472,576, related to the Taylor Road Project that carryover into subsequent year. Public Safety and Culture and recreation had a savings of \$872,229 and \$633,557, respectively. These savings are both contributed to vacancies in personnel throughout the year.

Capital Asset and Debt Administration

Capital assets. The City of Mission's capital assets for its governmental and business type activities as of September 30, 2018, amounts to \$244,484,379 (net of accumulated depreciation). Investment in capital assets includes: land, buildings and improvements, machinery and equipment, streets, storm drainage, sanitary sewer system, and water system. The total increase in the City of Mission's investment in capital assets for the current fiscal year was \$15,794,591.

Major capital asset events during the current fiscal year included the following:

- Construction in progress in the governmental activities decreased by \$16,544,654. Some of the projects that were completed include the Mile 2 Conway to Moorefield road improvement, Perkins Avenue drainage, Kika De La Garza street improvement and Leo Placita park improvement. The completed project that contributed to the decrease in current year was the Mission Event Center, which started FY 2016-2017.
- Construction in progress in the business-type activities increased by \$9,740,820. Projects completed include the Bentsen Palm Lift Station, Madero Water Tower Rehabilitation and the South Water Plant sludge improvement.

The following table summarizes the City's total capital assets.

City of Mission Capital Assets Net of Depreciation						
	Governmental Activities		Business-type Activities		Total	
	2018	2017	2018	2017	2018	2017
Land and water rights	\$ 38,612,979	\$ 37,659,281	\$ 7,529,142	\$ 7,529,142	\$ 46,142,121	\$ 45,188,423

Economic Factors and Next Year's Budgets and Rates

- According to the November 2018 issue of the Texas Labor Market Information, the unemployment rate for the City of Mission was 5.8 percent, decreasing from 6.5 percent in prior year. The state and national average unemployment rates are 3.7 percent and 3.6 percent respectively.
- Appraised values provided by the Hidalgo County Appraisal District and used in preparing the 2018-2019 Budget were \$90.5 million higher than the prior year.
- The 2018-2019 Budget was prepared using an adopted tax rate of \$0.4862 per \$100 valuation.
- Water and sewer rates changed in the 2018-2019 Budget.
- The 2018-2019 general fund operating budget was prepared using \$367,818 as the estimated unrestricted fund balance at September 30, 2018. The actual unrestricted fund balance for the general fund was \$3,307,617. For the upcoming 2018-2019 fiscal year, \$100,943 is the projected unrestricted fund balance at September 30, 2019. Projected revenues reflect a 9.7% increase and expenditures also reflect an 8.3% decrease compared to FY 2018 original budget.
- The City is currently analyzing its current financial situation and will implement the necessary measures to maintain adequate levels of fund balance in the General fund to mitigate risks, provide a back-up plan for revenue shortfalls, and ensure that appropriate amounts are available for emergencies. The City's Fund Balance Policy requires that the general fund total unrestricted fund balance (includes unassigned, committed, and assigned) will be no less than two (2) months of operating expenditures. At the end of FY 2018, the general fund unrestricted fund balance did not meet this requirement.

Requests for Information

This financial report is designed to provide a general overview of the City of Mission's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Finance Director, 1201 East 8th Street, City of Mission, Texas, 78572.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City of Mission, Texas, have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies are described below.

A. Reporting Entity

The City of Mission is a municipal corporation governed by an elected mayor and a four member Council. The accompanying financial statements of the reporting entity include those of the City of Mission (the primary government) and its component units, entities for which the government is considered to be financially accountable. Blended component units, although legally separate entities, are, in substance, part of the government's operations and so data from these units are combined with data of the primary government. Each discretely presented component unit, on the other hand, is reported in a separate column in the combined financial statements to emphasize that it is legally separate from the City.

Blended Component Units

The Mission Economic Development Authority (MEDA) was originally organized to provide development activities that could not be carried out by the Mission Economic Development Corporation. City of Mission management has operational and fiscal responsibility for this component unit. The Board now consists of 5 members, 4 of whom are Board Members of the MEDC. All Economic Development Activity on behalf of the City was reassigned by City Resolution to Mission Economic Development Corporation. MEDA holds an investment in several lots of land in the Mission Industrial Park which are available for sale. MEDA is presented as a Blended Component Unit - Special Revenue Fund of the City as MEDA's current limited activity exclusively benefits the City.

Discretely Presented Component Units

On September 12, 1994 the Mission Economic Development Corporation (MEDC) was issued a Certificate of Incorporation by the State of Texas as a nonprofit corporation under the Development Corporation Act of 1979 Vernon's Ann Civ. St. Art. 5190.6, as amended by adding Sec. 413. The Mission Economic Development Corporation (MEDC) was organized on behalf of the City of Mission, Texas for the specific public purpose of the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare. MEDC is governed by a seven member board of directors, each of whom is appointed by the City Council. Any director may be removed from office by the City Council for cause or at will. MEDC's primary source of revenues is sales tax revenues generated by the City of Mission. In addition, the City approves the programs and expenditures of MEDC and must approve amendments to MEDC's bylaws and Articles of Incorporation. MEDC is presented as a governmental fund type and has a September 30 year end.

Complete financial statements for the above component unit may be obtained at its administrative office at:

Mission Economic Development Corporation
1201 E. 8th St.
Mission, Texas 78572

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A. Reporting Entity (Continued)

The City of Mission, Texas (the “City”) authorized the creation of the Mission Redevelopment Authority (the “Authority”) by the Resolution No. 1021 passed on November 26, 2001. The Authority was created and organized as a local government corporation pursuant to provisions of Subchapter D of Chapter 431 of the Texas Transportation Code and Chapter 394 of the Texas Local Government Code. The Authority is organized as a public non-profit corporation for the purpose of aiding, assisting, and acting on behalf of the City in the performance of its governmental function to promote the common good and general welfare of Reinvestment Zone Number One (the “Zone”) and neighboring areas; in the preparation and implementation of a project plan and a reinvestment zone financing plan for the zone; in the development of a policy to finance development and redevelopment of residential, educational facilities, commercial and park/open space properties in the Mission area; and in the development and implementation of a redevelopment policy for the Mission area, including the acquisition of land for redevelopment purposes. The Authority may issue bonds with consent of City Council. The Authority is managed by a Board of Directors consisting of seven members. Five of the members are appointed by the Mayor with the approval of City Council. The other two member positions are designated for participating taxing entities. MRA is presented as a governmental fund type and has a September 30 year end.

Complete financial statements for the above mentioned component unit may be obtained at its administrative office at:

Mission Redevelopment Authority
901 Business Park Drive Suite 200
Mission, Texas 78572

B. Government-wide and fund financial statements

The government-wide financial statements (i.e. the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of the interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support. Likewise, the *primary government* is reported separately from certain legally separate *component units* for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expense of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operation or capital requirement of a particular function or segment.

Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

C. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Those revenues susceptible to accrual are property taxes, franchise taxes, special assessments, interest revenue and charges for services. Sales taxes collected and held by the intermediary collecting governments at year end on behalf of the City also are accrued. Fines, permits and parking meter revenues are not susceptible to accrual because generally they are not measurable until received in cash.

The City reports the following fund types and related major governmental funds:

General Fund – The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds – Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than private purpose trusts or major capital projects) that are legally restricted to expenditures for specified purposes. None of the special revenue funds are major funds.

Debt Service Fund – Debt Service Funds are used to account for accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs. The debt service fund is reported as a major fund.

Capital Projects Funds – Capital Projects Funds are used to account for financial resources to be used for the acquisition of capital assets or construction of major capital facilities, not being financed by the proprietary funds. None of the capital projects funds are major funds.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Measurement focus, basis of accounting, and financial statement presentation (Continued)

The City reports the following proprietary fund types and related major funds:

Enterprise Funds – Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The City reports all of its enterprise funds as major funds.

The Utility Fund accounts for the provision of water and sewer services to the residents of the City and some residents outside of the City.

The Golf Course Fund accounts for the operations and maintenance of the Shary Municipal Golf Course.

The Solid Waste Fund accounts for the provision of garbage and brush collection for the residents of the City.

Internal Service Funds – Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other department or agencies of the City, or to other governments, on a cost-reimbursement basis. The Group Health Employee Plan Fund is used to account for health insurance premiums collected from employees and various City departments. Health insurance claims are also reflected in this fund.

The City reports fiduciary fund types, in which the City accounts for assets received and held by the City in the capacity of trustee, agent or custodian. Expenditures are made only in accordance with the purpose for which the assets are received and cannot be used to support the City's programs. Within this category of fund types, the private-purpose trust fund is used to report trust arrangements under which principal and income benefit individuals, private organizations, or other governments not reported in other fiduciary fund types. All resources of the fund, including any earnings or invested resources, may be used to support the organization's activities. There is no requirement that any portion of these resources be preserved as capital.

Fiduciary Funds – A private purpose trust fund, The Speer Memorial Library-Breyfogle, is used to account for resources held in trust for use for Library Science courses. These funds are to be used for library staff who have been accepted into a Library Science program and who are taking library science courses from an American Library Association/Masters of Library Science (ALA/MLS) accredited program or institution. All resources of the fund, including any earnings on invested resources, may be used to support these activities.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the government's water and sewer function and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applications for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Measurement focus, basis of accounting, and financial statement presentation (Continued)

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing service, producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

D. Deposits and Investments

The government's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. Investments consist of U.S. agency obligations and TexPool investments.

U.S. Treasury and agency obligations are reported at fair value. However, if the fair value of an investment is significantly affected by the impairment of the credit standing of the issuer or by other factors, it is reported at fair value. The City's local government investment pools are recorded at amortized cost as permitted by GASB Statement No. 79, *Certain Investment Pools and Pool Participants*.

The City can legally invest in adequately secured investments in accordance with the Public Funds Investment Act. With certain restrictions, the City's Investment Policy allows investments in certificates of deposit, repurchase agreements, joint pools of political subdivisions in the State of Texas, obligations of the U.S. Government and its Agencies or instrumentalities and State obligations.

The Mission Economic Development Corporation (MEDC) is authorized with certain restrictions to invest in certificates of deposit, repurchase agreements, joint pools of political subdivisions in the State of Texas, obligations of the U.S. Government and its Agencies or instrumentalities and State obligations. Investments are reported at fair value in the component unit, except for pooled investments which are stated at amortized cost. MEDC's bank accounts are managed by the City and the City's investment policies are followed.

The Mission Redevelopment Authority is authorized to invest in any investments that are permitted by state statutes under the Public Funds Investment Act. During the year, MRA's investments consisted of U.S. government bonds and certificates of deposits which are valued at fair value.

E. Interfund Activity

Lending/borrowing between funds that results in amounts outstanding at the end of the fiscal year are referred to as either "due to/from other funds" or "advances to/from other funds".

"Due to/from other funds" represents the current portion of interfund loans, and "advances to/from other funds" represent non-current portion of interfund loans. With respect to the government-wide financial statements, any residual balances outstanding between the governmental activities and business-type activities are reported as "internal balances."

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

E. Interfund Activity (Continued)

Advances between funds, reported in the fund financial statements, are offset by a fund balance classification in the applicable governmental funds to indicate that they are not available for appropriation.

F. Receivables

Included in accounts receivable of the City's Utility fund is an estimated amount for services rendered but not billed as of the close of the year. The receivable was estimated by prorating subsequent cycle billings, based upon meter readings sent to customers.

Property taxes receivable have been prorated between General and Debt Service Fund based upon rates adopted for the year of the levy.

G. Inventory

Inventory held by each fund is stated at cost (primarily first-in, first-out). Inventories are recorded under the consumption method. Under this method, the expenditure is initially recorded as an asset and subsequently expended upon usage.

H. Redevelopment Assets

Redevelopment assets are recorded at historical cost. Depreciation is not recorded on redevelopment assets because they are expenditures for planning, design and construction of economic development projects, which upon completion will be transferred to the City of Mission or other governmental entities. Governments usually acquire or incur construction or design costs related to the redevelopment property to attract private-sector investment in an economically depressed area. During the construction or planning and design phase, these capital project assets are considered redevelopment assets of these component units.

I. Land Held for Resale

The City through Mission Economic Development Authority holds commercial real estate lots available for sale within an economically depressed area. These lots will be sold to attract development to further benefit the City.

J. Restricted Assets

Certain proceeds of long term debt, as well as certain resources set aside for their repayment, are classified as restricted assets on the balance sheet because their use is limited by applicable bond covenants.

K. Capital Assets

Capital assets, which includes property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of \$250 or more and an estimated useful life in excess of one year.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

K. Capital Assets (Continued)

All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets, donated works of art and similar items, and capital assets received in service concession agreements are reported at acquisition value.

Depreciation of capital assets used by proprietary funds is charged as an expense against their operations in the fund financial statements as well as the government-wide financial statements. Depreciation of general capital assets used by funds categorized as governmental activities is not provided in the fund financial statements; however, it is included in the gross expense by function in the government-wide Statement of Activities. Capital assets, net of accumulated depreciation, are reported on proprietary fund balance sheets and in both the governmental activities and business-type activities column of government-wide Statement of Net Position. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Assets	Useful Lives
Buildings	30 years
Furniture and equipment	5-15 years
Vehicles	3-20 years
Water plant and water tower	20-50 years
Water lines	25 years
Sewer system	20 years
Infrastructure	10-45 years

L. Construction Period Interest

The Utility Fund (an enterprise fund) has capitalized interest cost during the construction period of water and wastewater projects. The capitalized interest is recorded as part of the cost of these projects and will be depreciated over the assets' estimated useful life. The amount of interest cost capitalized is net of interest earned on investments acquired with proceeds of related borrowings. Interest expense is not capitalized on capital assets of governmental funds.

M. Deferred Outflows of Resources and Deferred Inflows of Resources/Other Assets and Liabilities

Certain defined transactions that do not qualify for treatment as either assets or liabilities are required to be accounted for and reported as either deferred outflows of resources (a separate subheading following assets but before liabilities) or deferred inflows of resources (a separate subheading following liabilities but before equity).

Deferred outflows of resources—a consumption of net assets by the government that is applicable to a future reporting period and so will not be recognized as an outflow of resources (expenditure/expenses) until then. It has a positive effect on net position, similar to assets.

Deferred inflows of resources—an acquisition of net assets by the government that is applicable to a future reporting period. It has a negative effect on net position, similar to liabilities.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

*M. Deferred Outflows of Resources and Deferred Inflows of Resources/Other Assets and Liabilities
(Continued)*

In the government-wide financial statements, deferred amounts from a refunding of debt (debits) are reported as deferred outflows of resources and deferred amounts from refunding debt (credits) are reported as deferred inflows of resources and amortized over the lesser life of the refunded bonds or refunding debt.

Grant amounts received in advance of meeting timing requirements and advances of revenue from imposed nonexchange transactions such as property taxes or transactions recorded as a receivable prior to the period when resources are required to be used or are available, are reported as deferred inflows of resources at the fund level and are recognized as revenues at the government-wide level.

Deferred outflows/inflows of resources related to pensions, as described in Note 1-T, are reported in the government-wide and proprietary funds financial statements of net position.

Continued Use of Other Assets and Liabilities—Prepayments continue to be reported as assets. Grant amounts received in advance of meeting requirements other than timing and receipts of prepayments continue to be reported as liabilities.

N. Compensated Absences

Vested or accumulated vacation leave that is expected to be liquidated with expendable available financial resources is reported as expenditure and fund liability of the governmental fund that will pay it. Amounts of vested or accumulated vacation leave that are not expected to be liquidated with expendable available financial resources are reported only in the governmental activities column of the government-wide financial statements. Compensated absences vested or accumulated are reported in the governmental funds only if they have matured. Vested or accumulated vacation leave of proprietary funds is recorded as an expense and liability of those funds as the benefits accrue to employees. In accordance with the provisions of Governmental Accounting Standards Board Statement No. 16, *Accounting for Compensated Absences*, the vesting method can be used to calculate the liability related to compensated absences for sick leave. The vesting method focuses on vesting sick leave. Vesting rights include vested rights and those rights that will eventually vest. With the exception of police officers and firefighters, discussed below, the City has recognized a liability for the vested part of employee sick leave. Per the City's Personnel Policy Manual, one-half of accumulated sick days up to a maximum of 90 days will vest once an employee either reaches 15 years of service or is eligible for official retirement as defined by the Texas Municipal Retirement System.

Per Texas Local Government Code Section 143.045, Police Officers and Firefighters are allowed to accumulate 15 sick days for 12 months of employment. They are entitled to receive a lump-sum payment of the full amount of accumulated sick leave not to exceed a total of 90 days' pay. There is no requirement on vested time to receive benefit.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

O. Long-Term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental/business type activities or the specific proprietary fund to which each relates, as applicable. Bond premiums and discounts are deferred charges amortized over the term of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. Premiums received and discounts incurred on debt issuances are reported as other financing sources and uses. Issuance costs, whether or not withheld from debt proceeds, are reported as debt service expenditures.

P. Fund Balance Reporting

GASB 54 provides for two major types of fund balances, which are nonspendable and spendable. Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, long term portions of receivables, redevelopment assets, and land held for resale. The City has prepaid expenses, inventories, long term portion of receivables, and land held for resale that are considered nonspendable.

In addition to the nonspendable fund balance, GASB 54 has provided a hierarchy of spendable fund balances, based on a hierarchy of spending constraints.

- Restricted: fund balances that are constrained by external parties, constitutional provisions, or enabling legislation.
- Committed: fund balances that can be used only for the specific purpose determined by formal action of the government's highest level of decision-making authority. The City Council is the highest level of decision-making authority for the government that can, by an adoption of an ordinance, commit fund balance. Once committed, the funds cannot be used for any other purpose unless such constraints are removed or modified by the adoption of another ordinance by City Council.
- Assigned: fund balances that contain self-imposed constraints of the government to be used for a particular purpose. The responsibility to assign funds rests with the City Council, or its designee, such as the City Manager. The City's policy dictates that any funds set aside by management as assigned fund balance, must be reported to City Council on the next regular Council meeting. Council has the authority to change or remove the assignment with majority vote.
- Unassigned: fund balance of the general fund that is not constrained for any particular purpose.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Minimum Fund Balance Policy

- The City of Mission determined that it is essential that they maintain adequate levels of fund balance in the General Fund to mitigate risks, provide a back-up plan for revenue shortfalls, and ensure that appropriate amounts are available for emergencies.
- The General Fund Unrestricted Fund Balance will be no less than two (2) months of operating expenditures.
- Should the Unrestricted Fund Balance decline to less than two (2) months of operating expenditures, all one-time revenues will be applied to replenish the targeted minimum balance. The targeted fund balance must be replenished within two years.

Furthermore, the City's Charter contains a requirement that a provision must be made in the annual budget and in the appropriation ordinance for a contingent appropriation in an amount no more than three (3) percent of the total budget to be used in case of unforeseen items of expenditure. Unused contingent funds will be used to replenish the targeted minimum unrestricted fund balance.

Order of Expenditures of Funds

- When an expenditure is incurred for a purpose for which both restricted and unrestricted fund balance is available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds and finally unassigned funds. A detailed classification of fund balances is included in Note 29.

Q. Prepaid Items

In the governmental fund types, payments made for services that benefit periods beyond the current year are recorded as prepaid expenditures and are equally offset by nonspendable fund balance, which indicates that they do not constitute "available spendable resources" even though they are a component of total assets. Prepaid items are accounted for using the consumption method.

R. Internal Service Fund Activity

Because the principal users of the internal service activities are the City's governmental activities, the financial statement of the internal service fund is consolidated into the governmental column when presented in the government-wide financial statement. Only the net profit or loss before investment income is allocated to the operating programs benefited. The investment income is combined with other unrestricted income as general revenue in the statement of activities.

S. Use of Estimates

The preparation of financial statements in conformity with GAAP requires the use of management's estimates. Actual results could differ from those estimates.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

T. Pensions

In government-wide financial statements, pensions are required to be recognized and disclosed using the accrual basis of accounting, regardless of the amount recognized as pension expenditures on the modified accrual basis of accounting. The City recognizes a net pension liability for each qualified pension plan in which it participates, which represents the excess of the total pension liability over the fiduciary net position of the pension plan, or the City's proportionate share thereof in the case of a cost-sharing multiple-employer plan, measured as of the City's fiscal year-end. Changes in the net pension liability during the period are recorded as pension expense, or as deferred inflows of resources or deferred outflows of resources depending on the nature of the change, in the period incurred. Those changes in net pension liability that are recorded as deferred inflows of resources or deferred outflows of resources that arise from changes in actuarial assumptions or other inputs and differences between expected or actual experience are amortized over the weighted average remaining service life of all participants in the respective qualified pension plan and recorded as a component of pension expense beginning with the period in which they are incurred. Projected earnings on qualified pension plan investments are recognized as component of pension expense. Differences between projected and actual investment earnings are reported as deferred inflows of resources or deferred outflows of resources and amortized as a component of pension expense on a closed basis over a five-year period beginning with the period in which the difference occurred.

U. New Accounting Standards

In the current fiscal year, the City implemented the following new standards. The provisions of these new standards are summarized below. Implementation is reflected in the financial statements and notes to the financial statements, if applicable.

GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. This statement replaces the requirements of Statement No. 45 and requires governments to report a liability on the face of the financial statements for the OPEB they provide. Statement No. 75 requires governments in all types of OPEB plans to present more extensive note disclosures and required supplementary information ("RSI") about their OPEB liabilities. Among the new note disclosures is a description of the effect on the reported OPEB liability of using a discount rate and a healthcare cost trend rate that are one percentage point higher and one percentage point lower than assumed by the government. The new RSI includes a schedule showing the causes of increases and decreases in the OPEB liability and a schedule comparing a government's actual OPEB contributions to its contribution requirements.

GASB Statement No. 85, *Omnibus 2017*. This statement establishes accounting and financial reporting requirements for blending component units, goodwill, fair value measurement and application, and postemployment benefits (pensions and other postemployment benefits).

GASB Statement No. 86, *Certain Debt Extinguishment Issues*. This statement establishes standards of accounting and financial reporting for in-substance defeasance transactions in which cash and other monetary assets acquired with only existing resources—that is, resources other than the proceeds of refunding debt—are placed in an irrevocable trust for the purpose of extinguishing debt. This statement also amends accounting and financial reporting requirements for prepaid insurance associated with debt that is extinguished, whether through a legal extinguishment or through an in substance defeasance, regardless of how the cash and other monetary assets were acquired. Finally, this statement establishes an additional disclosure requirement related to debt that is defeased in substance, regardless of how the cash and other monetary assets were acquired.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

U. New Accounting Standards

The GASB has issued the following statements, which will become effective for the City in future years. GASB Statement No. 83, *Certain Asset Retirement Obligations* (effective in FY 2019), GASB Statement No. 84, *Fiduciary Activities* (effective in FY 2020), and GASB Statement No. 87, *Leases* (effective in FY 2020). The City has not determined the impact of the implementation of these standards.

V. Rounding Adjustments

Throughout this comprehensive annual financial report, dollar amounts are rounded, thereby creating differences between the details and the totals.

NOTE 2 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

As mandated by the City Charter, budgets are required for all City funds each year. For the year ended September 30, 2018 budgets were not adopted for the Fiduciary Funds, but were adopted for the Internal Service Funds. Budget comparisons to actual expenditures for these funds are not required to be included in the financial statements. Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all government funds, except for the Capital Projects Funds. Budgets for the Capital Projects Funds are adopted over the multiple-year term of the projects.

NOTE 3 – PROPERTY TAXES

Property taxes are levied by October 1 in conformity with the Texas Property Tax Code. Taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed. On January 1 of each year, a tax lien attaches to property to secure the payment of all taxes, penalties, and interest ultimately imposed. Property tax revenues are considered available when they become due or past due and receivable within the current period and those expected to be collected during a 30 day period after the close of the City's fiscal year.

Property taxes are billed and collected by the Hidalgo County Tax Office for the City by contract agreement. Tax collections are transferred directly into the City's bank account. The City is a Home-Rule Charter City with a maximum authorized tax rate for all purposes of \$2.50 per \$100 valuation. The combined tax rate for the year ended September 30, 2018 (2017 levy), was \$0.4862 per \$100 valuation. Taxes receivable consists of property taxes of \$2,319,863 and sales taxes of \$2,058,053 for a total taxes receivable of \$4,377,916.

NOTE 4 – DEPOSITS AND INVESTMENTS

A. Primary Government

Deposits – At September 30, 2018, the carrying value of the City's deposits was \$6,229,034 and the bank balance was \$7,198,521. The entire bank balance was covered by FDIC insurance or was fully collateralized with securities held by the City's agent in the City's name. The type of deposits held at year end was demand accounts.

Investments – The primary objective of the City's investment activity is the preservation of capital in the overall portfolio. Each investment transaction shall be conducted in a manner to avoid capital losses, whether they are from security defaults or erosion of market value.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (*Continued*)

The City pools the cash, based on the City's needs, into either deposits in bank accounts, in short-term investments with TexPool, or in longer-term investments in U.S. Government Bonds. However, each fund's balance of cash and investments is maintained in the books of the City.

The City's investments' fair value measurements are as follows at September 30, 2018:

Investments	Fair Value	Fair Value Measurement Using		
		Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Certificates of deposit	\$ 8,810,930	\$ 8,810,930	\$ -	\$ -
U.S. Government Bonds	1,485,316	-	1,485,316	-
	<u>\$ 10,296,246</u>	<u>\$ 8,810,930</u>	<u>\$ 1,485,316</u>	<u>\$ -</u>

Quoted market prices are the basis of the fair value for investments. The amount of increase or decrease in the fair value of investments during the current year is included in the City's investment income of \$242,524.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment.

The City's investment policy limits average maturities of all investments to three years or less. The maximum final stated maturity of any investment shall not exceed five years. Portfolio diversification is employed as a way to control the risk. The City's investment portfolio is required to have sufficient liquidity to meet anticipated cash flow requirements.

The following is the Interest Rate Risk using Specific Identification, as of September 30, 2018:

Investment Type	Fair Value	Maturity Period		
		3 Months or Less	4-12 Months	Over One Year
TexPool	\$ 576,919	\$ 576,919	\$ -	\$ -
Federal Farm Credit Bank	248,515	-	248,515	-
Federal National Mortgage	740,024	-	-	740,024
Federal Home Loan Mortgage	496,777	-	249,212	247,565
Certificates of Deposits	8,810,930	502,595	1,888,622	6,419,713
	<u>\$ 10,873,165</u>	<u>\$ 1,079,514</u>	<u>\$ 2,386,349</u>	<u>\$ 7,407,302</u>

Credit Risk

Credit risk is the risk that a counterparty will not fulfill its obligations.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS *(Continued)*

The City's investment policy authorizes the following pools:

Public funds investment pools in Texas ("Pools") are established under the authority of the Inter-local Cooperation Act, Chapter 79 of the Texas Government Code, and are subject to the provisions of the Public Funds Investment Act (the "Act"). Chapter 2258 of the Texas Government Code, in addition to the other provisions of the Act designed to promote liquidity and safety of principal, the Act required Pools to: 1) have an advisory board composed of participants in the pool and other persons who do not have a business relationship with the pool and are qualified to advise the pool; 2) maintain a continuous rating of no lower than AAA or AAA-m or an equivalent rating by at least one nationally recognized rating services; and 3) maintain the market value of its underlying investment portfolio within one half of one percent of the value of its shares.

TexPool policies require that local government deposits be used to purchase investments authorized by the Public Funds Investment Act (PFIA) of 1987, as amended. The Texas State Comptroller of Public Accounts has oversight responsibility for TexPool. TexPool is a public funds investment pool created by the Texas Treasury Safekeeping Trust Company (Trust Company) to provide a safe environment for the placement of local government funds in authorized short-term, fully collateralized investments, including direct obligations of, or obligations guaranteed by, the United States or State of Texas or their agencies; federally insured certificates of deposit issued by Texas banks or savings and loans; and fully collateralized direct repurchase agreements secured by United States Government agency securities and placed through a primary government securities dealer.

The Trust Company was incorporated by the State Treasurer by authority of the Texas Legislature as a special purpose trust company with direct access to the services of the Federal Reserve Bank to manage, disburse, transfer, safe keep, and invest public funds and securities more efficiently and economically. The State Comptroller of Public Account exercises oversight responsibility over TexPool. Oversight includes the ability to significantly influence operations, designation of management, and accountability for fiscal matters. TexPool uses amortized cost rather than fair value to report net position to compute share prices. The fair value of the position in TexPool is the same as the value of TexPool shares. As permitted by GASB No. 79, *Certain Investment Pools and Pool Participants*, the City's investments in TexPool are stated at cost, which approximates fair value.

The City's investment policies and types of investments are governed by the Public Funds Investment Act (PFIA). The City's management believes that it complied with the requirements of the PFIA and the City's Investment policies.

Statutes authorize the City to invest in obligations of the U.S. Treasury or the State of Texas, certain U.S. agencies, certificates of deposit, certain municipal securities, repurchase agreements, and other investments specifically allowed by the Public Funds Investment Act of 1995 (Chapter 2256, Texas Government Code).

Concentrations of Credit Risk

Portfolio diversification is critically important to the City to help mitigate the risk of loss. The following are employed terms of investment instruments, maturity scheduling and financial institutions to reduce risk of loss resulting from over concentration of assets in a specific class of investments, specific maturity, or specific issuer, as a way to control risk.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (*Continued*)

As of September 30, 2018, the following was the composition of the City’s credit rating by investment:

Credit Quality Distribution of Securities
With Credit Exposure as a Percentage of Total Investments

Investment Type	Rating	Exposure
TexPool	AAA	5%
Federal Farm Credit Bank	AAA	2%
Federal National Mortgage	AAA	7%
Federal Home Loan Mortgage	AAA	5%
Certificates of Deposits	N/A	81%

Custodial Credit Risk

For an investment, custodial credit risk is the risk that the City will not be able to recover the value of investments or collateral securities that are in the possession of an outside party if the counterparty to an investment will not fulfill its obligation.

The City’s investments are categorized as a level one custodial credit risk, meaning that its investments are insured or registered or securities held by the City or its’ agent in the City’s name.

The City is prohibited from investing in the following types of investments:

- a. Obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal.
- b. Obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security collateral and bears no interest.
- c. Collateralized mortgage obligations that have a stated final maturity date of greater than ten years.
- d. Collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

The Public Funds Investment Act, the City’s investment policy, and Government Code Chapter 2257 “Collateral For Public Funds” contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (*Continued*)

A reconciliation of cash and investments as shown on the Statement of Net Position for the primary government follows:

Cash on hand	\$ 8,659
Carrying amount of deposits	6,229,034
Investments	<u>10,873,159</u>
Cash and Investments on Statement of Net Position	<u><u>\$ 17,110,852</u></u>
Cash and cash equivalents	\$ 674,850
Investments	7,662,357
Restricted assets	<u>8,773,645</u>
Cash and Investments on Statement of Net Position	<u><u>\$ 17,110,852</u></u>

B. Component Units

Mission Economic Development Corporation

Deposits - At September 30, 2018, the carrying value and bank balance of the Mission Economic Development Corporation's deposits was \$505,998. Deposits include demand accounts, money market and certificate of deposits. At September 30, 2018, all deposits were not fully insured or collateralized. See custodial credit risk below.

Investments - During the year, MEDC's investments which consisted of obligations of the U.S. Government or its Agencies and instrumentalities and public funds investment pools matured. At September 30, 2018, MEDC did not have any investments.

MEDC is required by Government Code Chapter 2256, The Public Funds Investment Act (the "Act"), to adopt, implement, and publicize an investment policy. That policy must address the following areas: (1) safety of principal and liquidity, (2) portfolio diversification, (3) allowable investments, (4) acceptable risk levels, (5) expected rates of return, (6) maximum allowed stated maturity of portfolio investments, (7) maximum average dollar-weighted maturity allowed based on the stated maturity date for the portfolio, (8) investment staff quality and capabilities, and (9) bid solicitation preferences for certificates of deposit.

Statutes authorize MEDC to invest in obligations of the U.S. Treasury or the State of Texas, certain U.S. agencies, certificates of deposit, certain municipal securities, repurchase agreements, and other investments specifically allowed by the Public Funds Investment Act (Chapter 2256, Texas Government Code).

The Act requires an annual audit of investment practices. Audit procedures in this area conducted as part of the audit of the basic financial statements disclosed that in the areas of investment practices, management reports, and establishment of appropriate policies; MEDC reports its information to the City of Mission Council. Additionally, investment practices of MEDC were in accordance with local policies. The MEDC's management believes that it complied with the requirements of the PFIA and its adopted investment policies.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (*Continued*)

At September 30, 2018, MEDC had deposits collateralized by pledged securities of \$197,218; all deposits were insured by the FDIC or were fully collateralized.

A reconciliation of cash as shown on the statement of net position for MEDC follows:

Petty cash	\$ 500
Carrying amount of deposits	505,998
Cash and Investments on Statement of Net Position	<u>\$ 506,498</u>
Cash and cash equivalents	\$ 145,936
Restricted assets	360,562
Cash and Investments on Statement of Net Position	<u>\$ 506,498</u>

Mission Redevelopment Authority

Investment Accounting Policy - The Authority is required by the Government Code Chapter 2256, The Public Funds Investment Act (the “Act”), to adopt, implement, and publicize an investment policy. That policy must address the following areas: (1) safety of principal and liquidity, (2) portfolio diversification, (3) allowable investments, (4) acceptable risk levels, (5) expected rates of return, (6) maximum allowable stated maturity of portfolio investments, (7) maximum average dollar-weighted maturity allowed based on the stated maturity date for the portfolio, (8) investment staff quality and capabilities, and (9) bid solicitation preferences for certificates of deposit. The Act requires an annual audit of investment practices. Audit procedures in this area conducted as a part of the audit of the basic financial statements disclosed that in the areas of investment practices, management reports, and establishment of appropriate policies, the Authority adhered to the requirements of the Act. Additionally, investment practices of the Authority were in accordance with local policies.

The Act determines the types of investments, which are allowable for the Authority. These include, with certain restrictions, (1) obligations of the U.S. Treasury, certain U.S. agencies, the state of Texas, (2) certificates of deposit, (3) certain municipal securities, (4) money market savings accounts, (5) repurchase agreements, (6) bankers acceptances, (7) mutual funds, (8) investment pools, (9) guaranteed investment contracts, and (10) common trust funds. The Authority policy authorizes all the State allowable investments. No person may invest the Authority funds without express written authority from the Board of Directors.

The Authority’s management believes that it has complied in all material respects with the requirements of the Act and the Authority’s investment policies.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (*Continued*)

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The Public Funds Investment Act, the Authority's investment policy, and Government Code Chapter 2257 "Collateral for Public Funds" contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments.

Texas statutes require that any cash balance in any fund shall, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, be continuously secured by a valid pledge to the Authority of securities eligible under the laws of Texas to secure the funds of the Authority, having an aggregate market value, including accrued interest, at all times equal to the uninsured cash balance in the fund to which such securities are pledged. The Authority's funds are required to be deposited and invested under the terms of a depository contract.

The depository bank deposits for safekeeping and trust with the Authority's agent bank approved pledged securities in an amount sufficient to protect Authority funds on a day-to-day basis during the period of the contract. For the deposit and investment balances noted below, \$250,000 was covered by federal depository insurance and the balance was covered by collateral pledged in the name of the Authority and held in a third party depository.

Deposits

As of the fiscal year end, the bank balance of the Authority's deposits was \$7,897,386. The carrying values of these deposits totaled \$7,986,976.

Investments

As of September 30, 2018, the Authority had the following investments and maturities:

Investment Type	Amortized Cost	Fair Value	Maturity Period		
			Less Than One Year	One to Five Years	Over Five Years
Certificate of Deposits	\$ 3,638,356	\$ 3,611,398	2,041,850	\$ 1,569,548	\$ -
US Government Bonds	3,993,870	3,998,760	3,998,760	-	-
	<u>\$ 7,632,226</u>	<u>\$ 7,610,158</u>	<u>6,040,610</u>	<u>\$ 1,569,548</u>	<u>\$ -</u>

Credit Risk

Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. The Authority's investment policy identifies the types of allowable investments as governed by the Public Funds Investments Act, to reduce the credit risk associated with the investments. At September 30, 2018, the Authority's Money Market Mutual Fund investment rating was A- by Standard & Poor's Rating Service.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Authority considers the investment in the Money Market Mutual Fund to have maturity of less than one year due to the fact the share position can usually be redeemed each day at the discretion of the Authority, unless there has been a significant change in value. The Authority's investment policy limits money market mutual funds to those with a stable net asset value of \$1 per share and those with a weighted average maturity of less than two years.

NOTE 5 – INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

A. Interfund receivable and payable balances at September 30, 2018 were as follows:

Receivable Fund	Payable Fund	Amount
General Fund	Utility Fund	\$ 4,064,151
General Fund	Non-Major Governmental Funds	1,393,398
General Fund	ISF - Group Health Fund	688,916
Debt Service Fund	General Fund	366,137
Non-Major Governmental Funds	General Fund	2,819,934
Non-Major Governmental Funds	Utility Fund	40
Non-Major Governmental Funds	ISF - Group Health Fund	2,626
Utility Fund	General Fund	477
Golf Course Fund	General Fund	19,089
Solid Waste Fund	General Fund	1,552,861
ISF - Group Health Fund	General Fund	472,860
ISF - Group Health Fund	Utility Fund	61,289
ISF - Group Health Fund	Solid Waste Fund	9,384
ISF - Group Health Fund	Golf Course Fund	15,941
ISF - Group Health Fund	Non-Major Governmental Funds	10,157
Private Purpose Trust Fund	General Fund	6,812
		<u>\$ 11,484,072</u>

The remaining balances resulted from a routine lag between the dates that transactions are recorded in the accounting system and payments made between the funds. All amounts are scheduled to be repaid within one year.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 5 – INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS (Continued)

B. Due to/from the primary government and component units at September 30, 2018 were as follows:

Receivable Entity	Payable Entity	Amount
Primary Gov't - General Fund	Component Unit - MRA	\$ 3,138
Primary Gov't - General Fund	Component Unit - MEDC	1,382,249
Primary Gov't - Nonmajor Gov't Funds	Component Unit - MRA	3,000
Primary Gov't - Utility Fund	Component Unit - MRA	394,537
Primary Gov't - Group Health Fund	Component Unit - MEDC	5,552
		<u>\$ 1,788,476</u>

C. Interfund Transfers:

	Transfers In:			
	General Fund	Debt Service Fund	Non-Major Governmental Funds	Total
Transfers Out:				
General Fund	\$ -	\$ 800,000	\$ 2,507,082	\$ 3,307,082
Debt Service Fund	-	-	420,548	420,548
Non-Major Governmental Funds	-	106	127,648	127,754
Utility Fund	4,400,000	-	-	4,400,000
Solid Waste Fund	2,000,000	-	-	2,000,000
Total Transfers Out	<u>\$ 6,400,000</u>	<u>\$ 800,106</u>	<u>\$ 3,055,278</u>	<u>\$ 10,255,384</u>

Transfers out from the General to Non-Major Governmental Funds were to sustain the operating activities of those funds.

Transfers from the Utility and Solid Waste Funds to the General Fund were to supplement the General Fund for administrative services provided to the Enterprise Fund. Fourteen departments of the General Fund provide operational assistance to the Utility Fund on a routine basis.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 9 – LONG-TERM DEBT (*Continued*)

Revenue Bonds

The City has pledged future waterworks and sewer system net revenues, to repay \$34,245,000 plus interest in Junior Lien revenue bonds issued in 2009, 2014, 2015 and 2016. Proceeds from the bonds provided financing for all or a portion of the City's contractual obligations for design, construction, professional services, legal, fiscal, issuance and engineering costs of certain water and wastewater system improvements and refunding on old issues, i.e. EDAP project and wastewater plant expansion. The bonds are payable solely from waterworks and sewer system net revenues and are payable through 2044. Annual principal and interest payments on the bonds are expected to require less than 34 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$40,769,583. Principal and interest paid for the current year and total waterworks and sewer system net revenues were \$3,158,553 and \$11,208,769, respectively.

Revenue bonds payable at September 30, 2018 are comprised of the following:

Business-type activities:

Utility Fund:

\$7,780,000 2009 Waterworks and Sewer System Junior Lien Revenue Taxable Serial Bonds payable in annual installments ranging from \$275,000 to \$465,000 from December 30, 2009 through February 15, 2029; non-interest bearing.	\$ 5,025,000
\$10,370,000 2014 Waterworks and Sewer System Junior Lien Refunding Bonds payable in annual installments ranging from \$675,000 to \$1,100,000 from February 15, 2015 through February 15, 2026; interest at 2.00% to 5.00%.	7,490,000
\$16,140,000 2015 Waterworks and Sewer System Junior Lien Refunding Bonds payable in annual installments ranging from \$490,000 to \$730,000 from February 15, 2017 through February 15, 2044; interest at 0.29% to 2.11%.	15,160,000
\$8,260,000 2016 Waterworks and Sewer System Junior Lien Revenue Taxable Serial Bonds payable in annual installments ranging from \$250,000 to \$1,075,000 from February 15, 2017 through February 15, 2027; interest at 2.00% to 4.00%.	<u>6,570,000</u>
	<u><u>\$ 34,245,000</u></u>

	<u>\$ 2,400,000</u>	<u>\$ 67,880</u>	<u>\$ 2,467,880</u>

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 9 – LONG-TERM DEBT *(Continued)*

In 2010, the City closed on a commitment from the Drinking Water State Revolving Fund (DWSRF) administered by the Texas Water Development Board which authorized the issuance of \$8,285,000 in revenue bonds. These bonds titled Waterworks and Sewer System Junior Lien Revenue Bonds Taxable Series 2009 were used for projects to make water system improvements. The DWSRF funding mechanism allowed the City to issue as many bond coupons in installments as needed to fund the authorized projects. At the completion of the authorized project, the total amount of coupons issued by the City was \$7,780,000.

On August 16, 2016, the City issued General Obligation Refunding Series 2016 in the amount of \$8,085,000 to advance refund a portion of Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2005A; Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2007; Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2009; General Obligation Refunding Bonds, Series 2009. Bond proceeds were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded bonds. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the statement of net position. The reacquisition price exceeded the net carrying amount of old debt resulting in an economic gain of \$920,000. Deferred loss on refunding at September 30, 2018 totaled \$390,012.

Outstanding balance on partially defeased bonds are as follows at September 30, 2018:

\$5,495,000 Combination Tax & Limited Pledge Revenue Certificates of Obligation, Series 2009	\$ 1,765,000
\$7,565,000 Texas General Obligation Refunding Bonds, Series 2009	2,380,000
	<u>\$ 4,145,000</u>

Bonds are included in bond payable schedules above as well as debt service requirements.

Arbitrage Compliance

The City of Mission is subject to federal arbitrage regulations and as of September 30, 2018, the City was in compliance with all arbitrage rebate and yield restriction reporting requirements. In addition the City had no accrued liabilities in regards to arbitrage rebate or yield restrictions. The City adheres to its adopted written procedures to monitor post-issuance compliance of the federal tax laws applicable to the Bonds as requested by the Internal Revenue Service.

Texas Water Code Compliance

Subsequent to year end, the Texas Water Development Board (TWDB) notified the City it was not in compliance with Texas Water Code, Chapter 16, Section 13.356 related to Economically Distressed Areas Program (EDAP). This section states that a political subdivision may not use any revenue received from fees collected from a water supply or sewer service constructed in whole or in part from EDAP funds for purposes other than utility purposes. The City has been in communication with the TWDB and is currently working on a compliance plan. The effects of such noncompliance as it relates to the financial position of the City is currently undeterminable.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 9 – LONG-TERM DEBT *(Continued)*

Generally, the general and special revenue funds liquidate the portion of compensated absences and pension liabilities that pertain to their own fund.

After adoption of GASB 65, the deferred gain/loss on refunding is now reported as deferred outflows/inflows of resources. See Note 12.

The Utility Fund capitalized \$169,021 of bond interest expense as part of various construction projects for the year ended September 30, 2018.

Additional disclosures on capital lease commitments are presented in Note 21.

NOTE 10 – COMPONENT UNIT – LONG-TERM DEBT PAYABLE

A. Mission Economic Development Corporation (MEDC)

MEDC has issued sales tax revenue bonds to finance various construction projects to enhance economic development in the Mission area. These bonds are to be repaid with sales tax revenue.

Sales tax revenue bond payable at September 30, 2018 for the MEDC is comprised of the following:

\$4,380,000 - Sales Tax Revenue Refunding Bonds, Series 2010
due in annual principal installments ranging from \$90,000 to
\$395,000 from January 15, 2011 through 2024; interest at 3.85%. \$ 2,015,000

The annual requirements to retire the sales tax revenue bond including interest are as follows:

Year Ending September 30,	Principal	Interest	Total
2019	\$ 380,000	\$ 70,263	\$ 450,263
2021	395,000	55,344	450,344

Optional Redemption for Tax Increment Contract Revenue Bonds

The Authority reserves the right, at its option, to redeem bonds prior to their scheduled maturities, in whole or from time to time, in part, on the call date or any date thereafter at a price of par value plus unpaid accrued interest from the most recent interest payment date to the date fixed from redemption. This optional redemption applies to bonds maturing on or after September 1, 2020 or September 1, 2024, or September 1, 2028 for Series 2005 and Series 2009, Series 2013, and Series 2017 bonds respectively.

Scheduled Mandatory Redemption for Tax Increment Contract Revenue Bonds

The Series 2009 Term bonds due September 1, 2022, September 1, 2025, September 1, 2027, and September 1, 2029, are subjected to mandatory redemption by lot or other customary method at a price of par plus accrued interest on September 1st in the years and amounts as reflected in the debt service schedules.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 10 – COMPONENT UNIT – LONG-TERM DEBT PAYABLE (*Continued*)

The Series 2013 Term bonds due September 1, 2030 are subjected to mandatory sinking fund redemption in part, prior to their stated maturity at the redemption prices of par plus accrued interest on September 1 in the years and amounts as reflected in the debt service schedules.

The Series 2017 Term bonds due September 1, 2030 are subjected to mandatory sinking fund redemption in part, prior to their stated maturity at the redemption prices of par plus accrued interest on September 1 in the years and amounts as reflected in the debt service schedules.

NOTE 11 – INTERFUND ADVANCES

Revenues decreased for the Golf Course during the year. The City experienced heavy rainfalls during the month of June 2018, affecting operations for several weeks at the Golf Course. The Golf Course staff will continue to increase tournament play and use specials to entice players to golf during off-peak times. The Media Relations Department and social media are being utilized to increase play as well. The expenditures continue to be closely monitored with increased efforts to complete projects in-house in order to decrease expenditures for external contractors. The advance payable increased by \$231,682 compared to prior years balance. At September 30, 2018 the balance of the advance in the amount of \$1,993,726 is reflected as long-term advance receivable in the Utility Fund; and long-term advance payable in the Golf Course Fund. In fiscal year 2019 a transfer from the Utility Fund has been budgeted and will continue for subsequent years to reduce advance payable going forward.

NOTE 12 – DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES

Governmental funds report deferred inflows in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period.

At the government-wide financial statements, deferred outflows include deferred charges on refunding of the bonds.

At the fund level financial statements, the City has the following Deferred Inflows of Resources:

	General Fund	Debt Service Fund	Total Deferred Inflows of Resources
Delinquent property taxes, unavailable	\$ 1,022,665	\$ 307,113	\$ 1,329,778

At the government-wide financial statements, the City reports cumulative deferred charges on refundings as deferred outflows of resources in the amount of \$960,478 which is net of cumulative amortization of \$105,809.

Deferred outflows of resources and deferred inflows of resources related to pensions were \$4,767,671 and \$4,410,015, respectively. See Note 16 for details regarding pensions. Deferred outflows of resources related to OPEB plans were \$218,693. See Note 17 for details regarding OPEB plans.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 13 – UNEARNED REVENUES

Governmental funds also defer revenue recognition in connection with resources that have been received but not yet earned. The following summarizes unearned revenues in governmental activities:

Park dedication fees	\$	325,498
Grants		42,307
Other		53,863
Total unearned revenue	\$	<u>421,668</u>

Unearned revenues of \$31,930 in the Golf Course Fund, an enterprise fund, represent collections of annual membership dues that will be recognized as revenue in the next fiscal year.

NOTE 14 – LONG-TERM RECEIVABLE

Long-Term Notes Receivables at September 30, 2018 for the City of Mission are comprised of the following:

Governmental Activities:

Housing Rehab Receivable

Promissory note receivable for housing assistance provided under the Community Development Block Grant (CDBG) program to an ineligible recipient. The principal amount is payable in equal monthly installments of \$200 on the ninth day of each month, beginning November 9, 2007 and continuing until the principal has been paid in full. The final maturity date is January 9, 2026.

	\$	17,600
Total long-term note receivable		17,600
Less: current portion		<u>(2,400)</u>
	\$	<u>15,200</u>

NOTE 15 – RESTRICTED ASSETS

A. Primary Government

Business-Type Activities:

The waterworks and sewer system revenue bond indentures require that during the period over which the bonds are outstanding, the City maintain certain separate accounts and funds to account for (1) the proceeds from the issuance of the revenue bonds (2) the debt service deposits made from revenues and (3) extensions and improvement deposits made from revenues. These restricted assets can be used only in accordance with the revenue bond indenture. Similar requirements exist for the debt service of the Public Property Financing Contractual Obligations.

The City also holds certain deposits from subdividers for future utility improvements, and the amount of retainage of certain construction contracts.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 15 – RESTRICTED ASSETS *(Continued)*

Restricted assets included in the Utility Fund as of September 30, 2018 consist of:

	Cash and Cash Equivalents	Investments	Total
Revenue bond reserve fund	\$ 388,308	\$ 189,716	\$ 578,024
Bond interest and sinking	288,135	892,094	1,180,229
Cash with fiscal agent	2,870,640	-	2,870,640
Revenue bond extension and improvement fund	125,945	153,828	279,773
Subdividers deposits	840,743	998,225	1,838,968
Capital recovery fund	966,667	480,637	1,447,304
	<u>\$ 5,480,438</u>	<u>\$ 2,714,500</u>	<u>\$ 8,194,938</u>

Restricted assets included in the Golf Course Fund as of September 30, 2018 consist of reserves for capital projects in the amount of \$22,440.

Restricted assets included in the Solid Waste Fund as of September 30, 2018 consist of reserves for capital outlays of \$1,169,465 and debt service in the amount of \$74,992.

A. Mission Economic Development Corporation

Restricted assets held by Mission Economic Development Corporation at September 30, 2018 consisted of Debt Service and Capital Projects in cash and cash equivalents in the amount of \$360,562.

B. Mission Redevelopment Authority

Restricted assets held by Mission Redevelopment Authority at September 30, 2018 consisted of Debt Service Reserves required by the Tax Increment Contract Bonds in the amount of \$3,035,547.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS

NOTE 16 – PENSION PLANS

Plan Descriptions:

The City participates in two defined benefit pension plans. All eligible employees of the City are required to participate in the Texas Municipal Retirement System (TMRS). In addition, the City contributes to the Texas Emergency Services Retirement System (TESRS), which provides benefits to the City's volunteer emergency services personnel. A brief description of each of the pension plans follows:

1. The City of Mission participates as one of 860 plans in the nontraditional, joint contributory, hybrid defined benefit pension plan administered by the Texas Municipal Retirement System (TMRS). TMRS is an agency created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (the TMRS Act) as an agent multiple-employer retirement system for municipal employees in the State of Texas. The TMRS Act places the general administration and management of the System with a six-member Board of Trustees. Although the Governor, with the advice and consent of the Senate, appoints the Board, TMRS is not fiscally dependent on the State of Texas. TMRS's defined benefit pension plan is a tax-qualified plan under Section 401 (a) of the Internal Revenue Code. TMRS issues a publicly available comprehensive annual financial report (CAFR) that can be obtained at www.tmr.com.
2. The Texas Emergency Services Retirement System (TESRS) is a cost-sharing multiple employer pension system established and administered by the State of Texas to provide pension, disability and death benefits for emergency services personnel who serve without significant monetary remuneration. The nine member Board of Trustees, appointed by the Governor, establishes policy for the administration of the Texas Emergency Services Retirement System. The TESRS was created as a standalone agency by the 83rd Legislature via the passage of SB 220, effective September 1, 2013, to assume the related functions of the abolished Office of the Fire Fighters' Pension Commissioner. While the agency is new, the System has been in existence since 1977. TESRS, which is under the authority of Title 8, Subtitle H, Chapters 861-865 of the Texas Government Code, provides death and disability benefits to active volunteer fire fighters and first responders, and a pension to members with vested service, as well as to their survivor/beneficiaries. For financial reporting purposes, the State of Texas is considered the primary reporting government. TESRS' financial statements are included in the State's Comprehensive Annual Financial Report. TESRS issues a publicly available Annual Financial Report, which includes financial statements, notes, and required supplementary information, which can be obtained at www.tesrs.org.

Benefits Provided:

TMRS

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS. Employees can retire at age 60 and above with 5 or more years of service, or with 20 years of service regardless of age. The contribution rate for employees is 6% and the matching percentage for the City is 200%. The City has also adopted 100% updated service credit (USC) on a repeating basis and annuity increases (AI) on a repeating basis, at 70% of the change in the CPI. Employees are vested after 5 years of service.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (*Continued*)

At retirement, the benefit is calculated as if the sum of the employee's contributions, with interest, and the city-financed monetary credits with interest were used to purchase an annuity. Members may choose to receive their retirement benefit in one of seven payment options. Members may also choose to receive a portion of their benefit as a Partial Lump Sum Distribution in an amount equal to 12, 24, or 36 monthly payments, which cannot exceed 75% of the member's deposits and interest.

TESRS

Senate Bill 411, 65th Legislature, Regular Session (1977), created TESRS and established the applicable benefit provisions. The 79th Legislature, Regular Session (2005), re-codified the provisions and gave the TESRS Board of Trustees authority to establish vesting requirements, contribution levels, benefit formulas, and eligibility requirements by board rule. The benefit provisions include retirement benefits as well as death and disability benefits. Members are 50% vested after the tenth year of service, with the vesting percent increasing 10% for each of the next five years of service so that a member becomes 100% vested with 15 years of service.

Upon reaching age 55, each vested member may retire and receive a monthly pension equal to his vested percent multiplied by six times the governing body's average monthly contribution over the member's years of qualified service. For years of service in excess of 15 years, this monthly benefit is increased at the rate of 6.2% compounded annually. There is no provision for automatic postretirement benefit increases.

On and off-duty death benefits and on-duty disability benefits are dependent on whether or not the member was engaged in the performance of duties at the time of death or disability. Death benefits include a lump sum amount or continuing monthly payments to a member's surviving spouse and dependent children.

Employees covered by benefit terms

As of most recent measurement date of the net pension liability, membership data for the pension plans are as follows:

	<u>TMRS</u>	<u>TESRS</u>
Inactive employees or beneficiaries currently receiving benefits	175	-
Inactive employees entitled to but not yet receiving benefits	296	-
Active employees	676	14
Total participants	<u>1,147</u>	<u>14</u>

Contributions:

TMRS

The contribution rates for employees in TMRS are either 5%, 6%, or 7% of employee gross earnings, and the city matching percentages are either 100%, 150%, or 200%, both as adopted by the governing body of the city. Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial cost method. The actuarially determined rate is the estimated amount necessary to finance the cost of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (*Continued*)

Employees for the City of Mission were required to contribute 6% of their annual gross earnings during the fiscal year. The minimum contribution rates for the City of Mission were 8.58% and 8.51% in calendar years 2018 and 2017, respectively. The City's contributions to TMRS for the year ended September 30, 2018, were \$2,425,326, and were equal to the required contributions.

TESRS

Under TESRS, contributions are made by governing bodies for the participating departments. No contributions are required from the individuals who are members of the System, nor are they allowed. The governing bodies of each participating department are required to make contributions for each month a member performs emergency services for a department (this minimum contribution is \$36 per member and the department may make a higher monthly contribution for its members). This is referred to as a Part One contribution, which is the legacy portion of the System contribution that directly impacts future retiree annuities.

The state is required to contribute an amount necessary to make the System "actuarially sound" each year, which may not exceed one-third of the total of all contributions made by participating governing bodies in a particular year.

The board rule defining contributions was amended in 2014 to add the potential for actuarially determined Part Two contributions that would be required only if the expected future annual contributions from the state are not enough with the Part One contributions to provide an adequate contribution arrangement as determined by the most recent actuarial valuation. This Part Two portion, which is actuarially determined as a percent of the Part One portion (not to exceed 15%), is to be actuarially adjusted near the end of each even-numbered calendar year based on the most recent actuarial valuation. Based on the actuarial valuation as of August 31, 2016, the Part Two contributions were established by the board to be 2% of the Part One contributions beginning September 1, 2017. Based on the August 31, 2018 actuarial valuation, the Part Two contributions are not required for an adequate contribution arrangement.

Additional contributions may be made by governing bodies within two years of joining the System, to grant up to ten years of credit for service per member. Prior service purchased must have occurred before the department began participation in the System.

A small subset of participating departments have a different contribution arrangement which is being phased out over time. Such arrangement funds retirees and beneficiaries that have been in the H.B. 258 Texas Local Fire Fighters Retirement Act (TLFFRA) fund before merging into the S.B. 411. In this arrangement, contributions made in addition to the monthly contributions for active members, are made by local governing bodies on a pay-as-you-go basis for members who were pensioners when their respective departments merged into the System. There is no actuarial impact associated with this arrangement as the pay-as-you-go contributions made by these governing bodies are always equal to benefit payments paid by the System. For the City of Mission, the total additional deposit was \$2,664 for the fiscal year ending September 30, 2018.

The contribution requirement per active emergency services personnel member per month is not actuarially determined. Rather, the minimum contribution provisions were set by board rule, and there is no maximum contribution rate. The City's total contributions to TESRS for the year ending September 30, 2018 totaled \$12,891.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (*Continued*)

Net Pension Liability:

The city's Net Pension Liability (NPL) was measured as of December 31, 2017 for TMRS and August 31, 2016 for TESRS, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of those dates.

Actuarial Assumptions

Schedule of Actuarial Assumptions	TMRS	TESRS
Valuation Date	12/31/17	8/31/18
Actuarial Cost Method	Entry Age Normal	N/A
Amortization Method	Level Percentage of Payroll, Closed	N/A
Remaining Amortization Period	28 years	N/A
Asset Valuation Method	10 Year smoothed market; 15% soft corridor	N/A
Inflation	2.5%	3.00%
Salary Increases	3.5% to 10.5% including inflation	N/A
Investment Rate of Return	6.75%	7.75%, net of pension plan investment expense, including inflation
Retirement Age	Experienced-based table of rates that are specific to the City's plan of benefits.	N/A
Mortality Assumption	RP-2000 Combined Mortality Table with Blue Collar Adjustment with male rates multiplied by 109% and female rates multiplied by 103% and projected on a fully generational basis with scale BB.	RP-2000 Combined Healthy Lives Mortality Tables for males and for females projected to 2024 by Scale AA

TMRS

For TMRS, actuarial assumptions used in the December 31, 2017 valuation were based on the results of actuarial experience studies. The experience study in TMRS was for the period December 31, 2010 through December 31, 2014, first used in the December 31, 2015 valuation. The post-retirement mortality assumption for healthy annuitants and Annuity Purchase Rate (APRs) are based on the Mortality Experience Investigation Study covering 2009 through 2011 and dated December 31, 2013. In conjunction with these changes first used in the December 31, 2013 valuation, the System adopted the Entry Age Normal (EAN) actuarial cost method. Assumptions are reviewed annually. No additional changes were made for the 2017 valuation.

The long-term expected rate of return on pension plan investments is 6.75%. The pension plan's policy in regard to the allocation of invested assets is established and may be amended by the TMRS Board of Trustees. Plan assets are managed on a total return basis with an emphasis on both capital appreciation as well as the production of income, in order to satisfy the short-term and long-term funding needs of TMRS.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (Continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return (Arithmetic)
Domestic Equity	17.50%	4.55%
International Equity	17.50%	6.35%
Core Fixed Income	10.00%	1.00%
Non-Core Fixed Income	20.00%	3.90%
Real Return	10.00%	3.80%
Real Estate	10.00%	4.50%
Absolute Return	10.00%	3.75%
Private Equity	5.00%	7.50%
Total	100%	

TESRS

For TESRS, the long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future net real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These components are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation (3.0%). In addition, the final 7.75% assumption reflected a reduction of 0.26% for adverse deviation. The target allocation and expected arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return (Arithmetic)
Equities:		
Large cap domestic	32.00%	5.81%
Small cap domestic	15.00%	5.92%
Developed International	15.00%	6.21%
Emerging markets	5.00%	7.18%
Master limited partnership	5.00%	7.61%
Real estate	5.00%	4.46%
Fixed income	23.00%	1.61%
Cash	0.00%	0.00%
Total	100%	

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (Continued)

Discount Rate

TMRS

The discount rate used to measure the total pension liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

TESRS

The discount rate used to measure the total pension liability was 7.75%. No projection of cash flows was used to determine the discount rate because the August 31, 2018 actuarial valuation showed that expected contributions would pay the normal cost and amortize the unfunded actuarial accrued liability (UAAL) in 30 years using the conservative level dollar amortization method. Because of the 30-year amortization period with the conservative amortization method, the pension plan's fiduciary net position is expected to be available to make all projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the City's net pension liability for the TMRS pension and the City's proportionate share of the net pension liability for the TESRS pension, calculated using the discount rate, as well as what the City's net pension liability and proportionate share of the net pension liability allocated would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	<u>1% Decrease in Discount Rate</u>	<u>Current Discount Rate</u>	<u>1% Increase in Discount Rate</u>
	<u>5.75%</u>	<u>6.75%</u>	<u>7.75%</u>
City's Net Pension Liability - TMRS	\$20,442,619	\$6,372,571	(\$5,161,433)
	<u>6.75%</u>	<u>7.75%</u>	<u>8.75%</u>
City's Proportionate Share of the Net Pension Liability - TESRS	\$115,740	\$58,240	\$19,457

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (Continued)

Changes in the Net Pension Liability – TMRS

Changes in the City's net pension liability for the TMRS pension for the fiscal year ended September 30, 2018 are as follows:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability
	(a)	(b)	(a) - (b)
Balance at 9/30/2016	\$ 84,834,925	\$ 73,408,301	\$ 11,426,624
Changes for the year:			
Service cost	3,574,775	-	3,574,775
Interest	5,754,029	-	5,754,029
Change of benefit terms	-	-	-
Difference between expected and actual experience	(110,717)	-	(110,717)
Change of assumptions	-	-	-
Contributions - employer	-	2,425,326	(2,425,326)
Contributions - employee	-	1,724,168	(1,724,168)
Net investment income	-	10,178,044	(10,178,044)
Benefit payments, including refunds of employee contributions	(2,754,877)	(2,754,877)	-
Administrative expense	-	(52,727)	52,727
Other changes	-	(2,671)	2,671
Net changes	6,463,210	11,517,263	(5,054,053)
Balance at 9/30/2017	<u>\$ 91,298,135</u>	<u>\$ 84,925,564</u>	<u>\$ 6,372,571</u>

City Proportion of Net Pension Liability – TESRS

The City's proportionate share of the net pension liability of the TESRS at September 30, 2018 is \$58,240, and the proportion percentage of the aggregate net pension liability allocated to the City is 0.269%. The City's proportion of the net pension liability was based on actual required contributions of each of the participating departments for the plan's fiscal year.

Pension Plan Fiduciary Net Position

Detailed information about the pension plans' Fiduciary Net Position is available in a separately-issued financial report. The TMRS financial report may be obtained on the Internet at www.tmr.com. The TESRS financial report may be obtained on the Internet at www.tesrs.org.

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions:

For the year ended September 30, 2018, the City recognized pension expense of \$2,928,735 for the TMRS pension plan and \$18,462 for the TESRS pension plan for a total pension expense of \$2,947,197.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 16 – PENSION PLANS (Continued)

At September 30, 2018, the city reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	TMRS		TESRS		Total	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual economic experience	\$ 193,137	\$ 227,628	\$ 16	\$ 168	\$ 193,153	\$ 227,796
Changes in actuarial assumptions	669,314	-	218	-	669,532	-
Differences between projected and actual investment earnings	1,972,870	4,182,388	-	3,219	1,972,870	4,185,607
Contributions subsequent to the measurement date	1,932,117	-	2,717	-	1,934,834	-
Total	<u>\$ 4,767,438</u>	<u>\$ 4,410,016</u>	<u>\$ 2,951</u>	<u>\$ 3,387</u>	<u>\$ 4,770,389</u>	<u>\$ 4,413,403</u>

Deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date of \$1,932,117 will be recognized as a reduction of the net pension liability for the measurement year ending December 31, 2018 (i.e., recognized in the City's financial statements September 30, 2019). The remaining deferred outflows and (inflows) of resources related to pensions will be amortized and recognized in pension expense as follows:

Year ending September 30,	TMRS	TESRS
2019	\$ 223,762	\$ 3,753
2020	66,684	(2,088)
2021	(870,438)	(3,073)
2022	(980,550)	(1,745)
2023	(14,153)	-
Thereafter	-	-
	<u>\$ (1,574,695)</u>	<u>\$ (3,153)</u>

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 17 – OTHER POST EMPLOYMENT BENEFITS

Plan Descriptions:

The City participates in two other post employment benefit plans which include post retirement health care benefits and supplemental death benefits. A brief description of each of the other post employment benefit plans follows:

1. City of Mission, Texas Healthcare Plan (THP) is a single-employer defined benefit healthcare plan administered by the City of Mission. The plan covers health insurance benefits. Eligible City retirees and their dependents may continue health care coverage through the City for up to 24 months after retirement from the City. The City pays 100% of the employee's premiums for retirees who complete 25 years of service. Employees who do not meet the 25 years of service are required to pay for coverage for themselves at 100% after retirement. All employees pay 100% of the dependent coverage. The City does not issue separate audited financial statements for the postemployment benefit plan.
2. The City also participates in the cost sharing multiple-employer defined benefit group-term life insurance plan operated by the Texas Municipal Retirement System (TMRS) known as the Supplemental Death Benefits Fund (SDBF). The City elected, by ordinance, to provide group-term life insurance coverage to both current and retired employees. The City may terminate coverage under and discontinue participation in the SDBF by adopting an ordinance before November 1st of any year to be effective the following January 1st.

The death benefit for active employees provides a lump-sum payment approximately equal to the employee's annual salary (calculated based on the employee's actual earnings, for the 12-month period preceding the month of death); retired employees are insured for \$7,500; this coverage is an "other postemployment benefit," or OPEB. TMRS issues a publicly available comprehensive annual financial report (CAFR) that can be obtained at www.tmrs.com.

The City offers supplemental death benefits to:

	<u>Plan Year 2018</u>	<u>Plan Year 2017</u>
Active employees	Yes	Yes
Retirees	Yes	Yes

Employees Covered by Benefit Terms

The most recent measurement dates for THP and SDBF were September 30, 2018 and December 31, 2017, respectively. As of the most recent measurement date, measurement for the plans were as follows:

	<u>THP</u>	<u>SDBF</u>
Inactive employees or beneficiaries currently receiving benefits	14	128
Inactive employees entitled to but not yet receiving benefits	-	47
Active employees	452	676
Total	<u>466</u>	<u>851</u>

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 17 – OTHER POST EMPLOYMENT BENEFITS (*Continued*)

Total OPEB Liability

The City's total OPEB liability of \$4,770,995 for THP was measured as of September 30, 2018. The City's total OPEB liability of \$1,112,022 for SDBF was measured as of December 31, 2017. The total OPEB liability for each plan was determined by an actuarial valuation as of their respective measurement date. Total OPEB liability for both plans was \$5,883,017 at September 30, 2018.

Actuarial Assumptions and Other Inputs

THP

The Total OPEB liability in the September 30, 2018 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Schedule of Actuarial Assumptions

Measurement Date	September 30, 2018
Actuarial Valuation Date	September 30, 2018
Inflation	2.5%
Salary Increases	2.5%
Discount Rate	3.73%
Prior Year Discount Rate	N/A
Health Care Cost Trend Rates:	Rates were developed using the baseline projection of the SoA Long-Run Medical Cost Trend Model and the following model input variables:
Rate of Inflation	2.5%
Rate of Growth in Real Income	1.5%
Excess Medical Cost Growth	1.2%
Health Share of GDP in 2027	20.50%
Health Share of GDP Resistance Point	25.00%
Year for Limiting Cost Growth to GDP Growth	2075

The discount rate was based on an average of the September 30, 2018 S&P Municipal Bond 20-Year High Grade Rate Index and the Fidelity General Obligation AA 20-Year Yield.

Mortality rates for active employees were based on the RPH-2014 Employee Mortality Table, Generational with Projection Scale MP-2018 for males or females, as appropriate.

Mortality rates for retirees were based on the RPH-2014 Healthy Annuitant Mortality Table, Generational with Projection Scale MP-2018 for males or females, as appropriate.

September 30, 2018

NOTE 17 – OTHER POST EMPLOYMENT BENEFITS (*Continued*)

Actuarial Assumptions and Other Inputs (Continued)

SDBF

The Total OPEB liability in the December 31, 2017 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Schedule of Actuarial Assumptions

Measurement Date	December 31, 2017
Actuarial Valuation Date	December 31, 2017
Inflation	2.5%
Salary Increases	3.5% to 10.5% including inflation
Discount Rate	3.31%
Retirees' share of benefit-related costs	\$0
Administrative expenses	All administrative expenses are paid through the Pension Trust and accounted for under reporting requirements under GASB Statement No. 68.
Mortality rates – service retirees	PR2000 Combined Mortality Table with Blue Collar Adjustment with male rates multiplied by 109% and female rates multiplied by 103% and projected on a fully generational basis with scale BB.
Mortality rates – disabled retirees	PR2000 Combined Mortality Table with Blue Collar Adjustment with male rates multiplied by 109% and female rates multiplied by 103% with a 3 year set-forward for both males and females. The rates are projected on a fully generational basis with scale BB to account for future mortality improvements subject to the 3% floor.

The discount rate was based on the Fidelity Index's "20-Year Municipal GO AA Index" rate as of December 31, 2017.

2022	-	12,374
2023	-	12,374
Thereafter	-	10,147
	<u>\$ 129,772</u>	<u>\$ 84,391</u>

NOTE 18 – CONTINGENT LIABILITIES

A. Litigation

The City is currently a defendant in various lawsuits. Although the City plans to contest the suits, it is the opinion of management and its outside attorneys that the possible outcome of the lawsuits and an estimate of the loss, if any, cannot presently be determined.

B. Federally Assisted Grant Programs

The City participates in several Federal and State assisted grant programs. Although the City grant programs have been audited in accordance with the provisions of the Single Audit Act, these programs are still subject to financial and compliance audits. The amount, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the City expects such amounts, if any, to be immaterial.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 19 – CONSTRUCTION AND IMPROVEMENT COMMITMENTS

At September 30, 2018, the City had several active construction projects. The projects include renovation of parks and improvements of infrastructure.

A. Primary Government

Project	Total Contract Amount	Spent to Date	Remaining Commitment
Inspiration Rd US 83 Exp N to Mile 3	\$ 11,281,166	\$ 11,231,995	\$ 49,171
Taylor Rd US 83 Exp to N Dove	4,735,592	4,063,681	671,911
Madero International Bridge	1,276,483	980,082	296,401

N.WWTP 4.5MGD Expansion Project	16,496,556	16,446,156	50,400
Water Tower - Bus 83/Glasscock	2,000,000	103,141	1,896,859
Mission Event Center Water Tower	2,300,000	1,865,802	434,198
	<u>\$ 40,525,199</u>	<u>\$ 34,839,608</u>	<u>\$ 5,685,591</u>

The City has entered into several Advance Funding Agreements (AFA's) with the Texas Department of Transportation to fund various road widening and improvement projects within the City limits. These AFA's commit state or federal resources to the projects and require participation of the City in the cost of the projects. The City has signed engineering contracts in relation to these AFA's and the commitments under such contracts are reflected in the commitment summary noted above.

NOTE 20 – OPERATING LEASE COMMITMENTS

A. Primary Government

The City leases office equipment and golf carts under operating leases. Total costs for such leases were \$127,880 for the year ended September 30, 2018. The future minimum lease payments for these leases are as follows:

September 30,	
2019	\$ 135,896
2020	68,237
2021	11,075
Total	<u>\$ 215,208</u>

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 21 – CAPITAL LEASE COMMITMENTS

A. Primary Government

The City entered into lease agreements as a lessee for financing the acquisition of equipment for the golf course owned by the City reflected under business-type activities. These lease agreements qualify as capital leases for accounting purposes and, therefore, have been recorded at the present value of their future minimum lease payments totaling \$252,876 at the inception date. Depreciation expense for the equipment totaled \$33,853 for the year ended September 30, 2018. The equipment and related depreciation is included in Note 6.

The City entered into a lease agreement as a lease for financing the acquisition of a fire pumper truck under governmental activities. This lease agreement qualifies as a capital lease for accounting purposes and, therefore, has been recorded at the present value of the future minimum lease payments totaling \$530,306 at the inception date. Depreciation expense for the fire pumper truck totaled \$2,210 for the year ended September 30, 2018.

The future minimum lease obligations and the net present value of these minimum lease payments as of September 30, 2018 are as follows:

<u>September 30,</u>	
2019	\$ 132,958
2020	132,958
2021	91,781
2022	83,544
2023	83,544
Thereafter	<u>83,544</u>
Total minimum lease payments	608,329
Less interest:	<u>(49,569)</u>
Present value of minimum lease payments	<u>\$ 558,760</u>

B. Mission Economic Development Corporation

MEDC leases a 55,000 square foot facility under a lease agreement classified as a capital lease. The facility is used as the Center for Education and Economic Development (CEED). The lease was recorded at the present value of their future minimum lease payments totaling \$9,268,541 at the inception date. Depreciation expense for the building totaled \$416,173 for the year ended September 30, 2018. The building and related depreciation is included in Note 6.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 21 – CAPITAL LEASE COMMITMENTS (*Continued*)

The future minimum lease obligations and the net present value of these minimum lease payments as of September 30, 2018 are as follows:

<u>September 30,</u>	
2019	\$ 660,000
2020	660,000
2021	660,000
2022	660,000
2023	660,000
Thereafter	<u>8,387,500</u>
Total minimum lease payments	11,687,500
Less interest:	<u>(3,186,806)</u>
Present value of minimum lease payments	<u><u>\$ 8,500,694</u></u>

NOTE 22 – RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the City carried commercial insurance. There have been no reductions in insurance coverage from the previous year; no negative statements or jury awards have exceeded insurance coverage in any of the past three years.

The City established a limited risk management program for workers' compensation and health insurance in a previous year. Effective December 1, 1996, the City became fully insured for workers compensation insurance through a conventional policy. The City's health insurance program is self-funded.

Health insurance premiums are paid into the Internal Service Fund by all other funds and are available to pay health claims and administrative costs of the program including costs associated with wellness programs. Inter-fund premiums are based primarily on claims experience and are reported as quasi-external transactions.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Health liabilities include an amount for claims that have been incurred but not reported (IBNRs). Claims liabilities are calculated considering the effects of inflation, recent claim settlement trends, including frequency and amount of pay-outs and other economic and social factors.

The following is a reconciliation of the claims liability:

	<u>2018</u>	<u>2017</u>
Unpaid claims, beginning of fiscal year	\$ 331,118	\$ 242,417
Incurred claims and adjustments	4,506,661	3,987,952
Claims payments	<u>(4,693,912)</u>	<u>(3,899,251)</u>
Unpaid claims (IBNRs), end of fiscal year	<u><u>\$ 143,867</u></u>	<u><u>\$ 331,118</u></u>

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 23 – COMPONENT UNIT TRANSACTIONS

A. The City's economic development activities via City Council Resolution delegated all economic development activities to MEDC.

City of Mission provides personnel services to carry out the daily operating activities of MEDC. MEDC does not reimburse the City of Mission for the services provided as well as accounting and overhead costs. However, during the year ended September 30, 2018, MEDC paid the City of Mission \$1,000,000 to help offset the debt service for the 2017 construction of the Mission Events Center.

The President of the board of directors for MEDC is also the President of Lone Star National Bank. On May 31, 2016, MEDC obtained a loan from Lone Star National Bank. At September 30, 2018, the balance outstanding on the note was \$1,702,875.

B. During the year ended September 30, 2018 Mission Redevelopment Authority reimbursed the City for costs incurred related to various projects in the amount of \$5,330,483. At September 30, 2018, the MRA owed the City \$3,138 for administrative costs. Additionally, the City owed MRA \$62,768 for property taxes collected but not yet remitted.

NOTE 24 – CONDUIT DEBT OBLIGATIONS

Mission Economic Development Corporation (the "Issuer") pursuant to Texas Civil Statutes Article 5190.6(the "Act"), and the Industrial Revenue Bond Program (the "Rules"), Title 10 Texas Administrative Code Chapter 180, promulgated by the Office of the Governor, Economic Development and Tourism Division (the "Division") has issued the following Industrial Development Bonds to finance various projects in the State of Texas:

	Balance at September 30, 2018
\$6,000,000 Mission Economic Development Corporation Variable Rate Demand Industrial Development Revenue Bonds (CMI Project) Series 2007	\$ 4,170,000
\$40,200,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Bonds (Dallas Clean Energy McCommas Bluff Project) Series 2011	24,450,000
\$48,000,000 Mission Economic Development Corporation Water Supply Revenue Bonds (Enviro Water Minerals Project), Series 2015 (Green Bonds)	47,700,000
\$50,000,000 Mission Economic Development Corporation Senior Lien Revenue Bonds (Natgasoline Project) Series 2016A	50,000,000
\$202,885,000 Mission Economic Development Corporation Senior Lien Revenue Bonds (Natgasoline Project) Series 2016B	202,885,000

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 24 – CONDUIT DEBT OBLIGATIONS (*Continued*)

	Balance at September 30, 2018
\$9,000,000 Mission Economic Development Corporation Taxable Power Purchase Agreement Revenue Bonds (Nelson Gardens Energy, LLC Project) Series 2013	8,485,000
\$56,200,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Bonds (Allied Waste North America, Inc. Project) Series 2008A	56,200,000
\$56,800,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Refunding Bonds (Republic Services, Inc. Project) Series 2012	56,800,000
\$41,750,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Refunding Bonds (Waste Management, Inc. Project) Series 2006	41,750,000
\$67,000,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Bonds (Waste Management, Inc. Project) Series 2008	67,000,000
\$50,000,000 Mission Economic Development Corporation Solid Waste Disposal Revenue Bonds (CarbonLITE Recycling, LLC Project) Series 2016	50,000,000
	<u>\$ 609,440,000</u>

All of the bonds listed above are payable solely from, and secured solely by a pledge of payments made under loan agreements between the borrowers and MEDC which are assigned under separate Trust Indentures with various banks. The payments required under the loan agreement are further guaranteed under either Guaranty Agreements or Irrevocable Letters of Credit issued in favor of the Trustee under the Trust Indenture.

Neither the State of Texas, Mission, Texas nor any political corporation, subdivision or agency of the State of Texas shall be obligated to pay the principal of, premium, if any, the interest on, or the purchase price of the bonds, and neither the faith and credit nor the taxing power of the State of Texas, Mission, Texas or any other political corporation, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, interest on, or the purchase price of the bonds.

In connection with the process which ultimately may lead to the issuance of conduit debt, MEDC charges an application fee of \$2,500 per application. During the year ended September 30, 2018, there were no applications submitted.

Upon issuance of conduit debt, an issuance fee is assessed based on the terms of the agreements.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 24 – CONDUIT DEBT OBLIGATIONS (*Continued*)

After conduit debt has been issued, MEDC charges an annual fee based upon the original par value of the bonds, which ranges from 2 basis points to 5 basis points depending on the type of project and the rating of the bonds being issued. For the year ended September 30, 2018, MEDC received \$232,060 of which \$116,030 was paid to the advisor for local access fees.

NOTE 25 – COMPLIANCE WITH REVENUE BOND COVENANTS

A. Certain Required Annual Disclosure

The bond covenants of the Utility Fund revenues bonds require that on an annual basis the City of Mission make available certain disclosures related to the operation of the Utility Fund. A separate report containing these required disclosures is available at City Hall.

B. Revenue Bond Coverage

Per the Revenue Bond debt covenants, the City's Utility Fund is required to maintain a 125% coverage over the succeeding fiscal year's debt service requirement (first lien bonds); or 125% over the greater of the average annual debt service requirements or the succeeding fiscal year's debt service requirements (junior lien bonds). For the fiscal year ended September 30, 2018 the City's Utility Fund met these coverage requirements.

NOTE 26 – TAX INCREMENT REINVESTMENT ZONE

On September 24, 2001, the City established a Tax Increment Reinvestment Zone Number One (TIRZ) pursuant to Chapter 311 of the Texas Tax Code. The zone was formed to facilitate the provision of public works or improvements. A portion of the real property advalorem taxes levied by participating taxing entities is set aside for this purpose beginning with taxes levied after January 1, 2002 tax levies. The amount set aside out of the annually adopted tax levy, is based upon the appraised value each January 1st compared to the base year appraised value of property in the zone as of January 1, 2001. The City of Mission and Hidalgo County are the only taxing entities participating in the Increment Zone. The City accounts for TIRZ as a Special Revenue Fund.

Effective October 1, 2008 the City elected to transfer only the amounts of the tax increment which has been collected for the Tax Increment Reinvestment Zone 1. Hidalgo County also elected, to transfer to the Zone only the amount of the tax increment actually collected each year. For the current year the amounts transferred were \$2,711,868 and \$2,540,523 from the County and City respectively.

NOTE 27 – INTEREST IN INTERNATIONAL TOLL BRIDGE

Pursuant to the Hidalgo-Mission-McAllen Interlocal Government Agreement, dated April 1, 2003 ("2003 Agreement"), the City of McAllen, Texas and the City of Mission, Texas own and operate the Anzalduas International Crossing ("Anzalduas Bridge") linking United States, south of the City of Mission, Texas and the westernmost part of the city of Reynosa, Tamaulipas, Mexico. According to that agreement, the ownership interest of the City of McAllen and the City of Mission are 66 2/3% and 33 1/3%, respectively.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 27 – INTEREST IN INTERNATIONAL TOLL BRIDGE *(Continued)*

The agreement also provides that complete management and control of the Anzalduas Bridge, with the exception of fixing rates and charges for services and the issuance of debt, which is reserved by the Board of Commissioners of McAllen, shall be vested in a Board of Trustees consisting of five (5) voting-members, two of which are appointed from the existing members of the Hidalgo Bridge Board by McAllen, with the Mayors of the cities of McAllen, Hidalgo and Mission serving as ex-officio Board members. The Mayor of Granjeno also serves as an ex-officio non-voting member of the Board. In addition, the budget is subject to final approval by the Board of Commissioners of McAllen.

The agreements also provide that these cities as well as the City of Hidalgo will share in the unallocated balance of surplus net revenues at the following percentages: City of McAllen, 44%; City of Mission, 23%; and the City of Hidalgo, 33%. Per separate interlocal agreement, the City of Mission will share 6% of its portion of the unallocated balance of surplus net revenues with the City of Granjeno, Texas.

In order to finance the construction of the Anzalduas Bridge, the City of McAllen issued \$39,160,000 in revenue bonds during fiscal year ending 2007 in two separate series, \$26,000,000 Series 2007A and \$13,160,000 Series B. The Bonds are secured by a pledge of net revenues of the McAllen International Toll Bridge (“Hidalgo Bridge”), located in Hidalgo, Texas and the Anzalduas Bridge. According to the 2003 Agreement, both the City of McAllen and the City of Hidalgo are responsible for the Series 2007A bonds from each city’s respective share of net revenues of the Hidalgo Bridge. The City of McAllen is responsible for Series 2007B bonds from its share of net revenues of the Hidalgo Bridge as well as the City of Mission from its share of net revenues of the Anzalduas Bridge. Commencement of operations was December 15, 2009.

Per the agreement, the City of Mission was not required to make any capital contributions to obtain its ownership interest; therefore no dollar amount is reflected in these financial statements as representing its ownership interest.

However, until sufficient excess revenues as defined in the Interlocal Agreement are available, the debt service costs related to Series 2007B Bonds as noted above are being advanced to Anzalduas Bridge Fund from the City of McAllen’s General Fund, including an allocated amount being advanced on behalf of the City of Mission by the City of McAllen. As of September 30, 2018, the amount advanced since the inception for the City of Mission is 3,226,076 and is reflected as part of non-current liabilities due in more than one year in the Statement of Net Position. See also Note 9.

NOTE 28 – COMPLIANCE AND ACCOUNTABILITY

A. Finance – Related Legal and Contractual Provision

In accordance with GASB Statement No. 38, “Certain Financial Statement Note Disclosures”, violations of finance related legal and contractual provisions, if any, are reported below, along with actions taken to address such violations:

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 28 – COMPLIANCE AND ACCOUNTABILITY (*Continued*)

Expenditures Exceeding Appropriations

During the year ended September 30, 2018 the City complied with the budgetary requirements for the General Fund.

Deficit Fund Balance or Fund Net Position of Individual Funds:

The following are funds having deficit fund balances or fund net position at year end, if any, along with remarks which address such deficits:

<u>Fund Name</u>	<u>Deficit Amount</u>	<u>Remarks</u>
Not applicable	N/A	N/A

Mission Economic Development Corporation

A net position deficit exists in the amount of \$2,030,102 for the year ended September 30, 2018. MEDC's general fund reported a deficit of \$602,812. MEDC intends to sell land in fiscal year 2019. The proceeds from the sale of the land is expected to eliminate these deficits. Additionally, management is working diligently to increase revenues and decrease costs.

Mission Redevelopment Authority

A net position deficit exists in the amount of \$8,085,680 for year ended September 30, 2018. This deficit is due to MRA issuing debt to pay for facilities that were conveyed, or will be conveyed, to the City or the State of Texas. MRA anticipates that with the expected development in the area, tax increment revenues will be sufficient to cover operating costs of MRA and to service the outstanding debt.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 29 – FUND BALANCES

At September 30, 2018 the City of Mission has classified its fund balances with the following hierarchy:

Assigned – The City Council has assigned resources for the purpose of meeting subsequent year’s budget-appropriation of fund balance. In addition, resources have been assigned for the purpose of payment of certain capital asset replacements needed, and for funds to be used for various programs to be conducted by the Boy’s and Girl’s Club.

Unassigned – Unassigned fund balance has no constraints on its use.

	General Fund	Debt Service Fund	Other Governmental Funds	Total Governmental Funds
Fund balances:				
Nonspendable:

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 29 – FUND BALANCES (*Continued*)

Encumbrances

Encumbrance accounting is employed as an extension of formal budgetary integration for the general fund, special revenue funds, and capital projects funds. Certain amounts which were classified as restricted, committed or assigned for specific purposes have been encumbered in the governmental funds. Significant encumbrances included in governmental fund balance are as follows:

General fund - assigned	\$ 2,340,039
Other governmental funds	<u>3,453,734</u>
	<u><u>\$ 5,793,773</u></u>

NOTE 30 – COMMITMENTS

A. Mission Economic Development Corporation

MEDC has published notices of intent and its Board of Directors has committed funds for the following projects:

Incentives	Committed	Expended to Date	Remaining Commitment
Southwest Steel Coil	\$ 450,000	\$ -	\$ 450,000
Wonderful Citrus	3,000,000	900,000	2,100,000
Metal Processing International	<u>55,000</u>	<u>-</u>	<u>55,000</u>
Total	<u><u>\$ 3,505,000</u></u>	<u><u>\$ 900,000</u></u>	<u><u>\$ 2,605,000</u></u>

B. Mission Redevelopment Authority

For the year ended September 30, 2018, the Authority has the following engineering contracts commitments:

- 1) The Military Highway and Inspiration Road Expansion Project; \$931,381 remaining.
- 2) The Bentsen Palms Lift Station Project; \$18,995 remaining.
- 3) Reimbursement Agreement for the construction of Mission Event Center; \$500,000 is committed for fiscal year ending 2019.
- 4) The Police and Fire Substation at Schuerbach & Military Roads; \$3.7 million remaining.
- 5) The design and construction of a water tower located in the vicinity of the special events center; \$243,978 remaining.
- 6) Reimbursement agreement for the Anzalduas Highway Wastewater and Water Trunklines Project; \$2,291,112 remaining.

NOTE 31 – REDEVELOPMENT ASSETS

Mission Redevelopment Authority

Redevelopment assets include engineering and design costs for various road improvement and infrastructure related projects. The changes in redevelopment assets for the year ended September 30, 2018 are as follows:

Redevelopment Projects	Balance 10/1/2017	Increase	Decrease	Balance 9/30/2018
US 83 Overpass at Inspiration Road-Phase I	\$ 339,750	\$ -	\$ -	\$ 339,750
US 83 Overpass at Inspiration Road-Phase II	1,856,962	-	-	1,856,962
US 83 Overpass at Inspiration Road-Phase III	141,344	1,250	-	142,594
Military Highway West Wastewater & Water Trunklines	83,948	-	-	83,948
Anzalduas Lift Stations	346,380	-	-	346,380
Total Redevelopment Assets	<u>\$2,768,384</u>	<u>\$ 1,250</u>	<u>\$ -</u>	<u>\$2,769,634</u>

During the fiscal year, the Authority recorded redevelopment expenditures as follows:

Bentsen Palms Lift Station	\$ 266,005
Mission Water Tower	1,432,636
Rail Project	100,000
Event Center	500,000
Military and Inspiration Expansion	368,617
Anzalduas Phase 2	<u>2,663,225</u>
	<u>\$ 5,330,483</u>

The reimbursements represents payments to the City of Mission for redevelopment projects managed by the City.

NOTE 32 – LAND HELD FOR RESALE

The City through its blended component unit, Mission Economic Development Authority holds commercial real estate lots available for sale within an economically depressed area. At September 30, 2018 the remaining properties are stated at a cost of \$558,767, which is less than their estimated fair value. These lots will continue to be sold to attract development to further benefit the City.

CITY OF MISSION, TEXAS
NOTES TO FINANCIAL STATEMENTS
September 30, 2018

NOTE 33 – PRIOR PERIOD ADJUSTMENTS

Net position as of October 1, 2017 was restated as follows:

	Governmental Activities	Business-type Activities
Beginning net position, as previously reported	\$ 106,446,447	\$ 68,774,918
Implementation of GASB 75 for OPEB	<u>(3,570,238)</u>	<u>(872,331)</u>
Beginning net position, as restated	<u>\$ 102,876,209</u>	<u>\$ 67,902,587</u>

NOTE 34 – SUBSEQUENT EVENTS

For the purposes of reporting subsequent events, management has considered events occurring up to April 11, 2019, the date the report was available to be issued. No further subsequent events were noted.

Subsequent to year end, the following event or transaction occurred.

On October 24, 2018, MEDC entered into a loan agreement with BBVA Compass Bank for the purchase of the Center of Education and Economic Development (CEED) building. Prior to being purchased, the building was being leased as described in note 9. The principal amount payable under the loan agreement totaled \$7,919,131 with a fixed rate equal to 4.82% per annum calculated on a per annum basis of 360-day year. Principal of \$395,957 is payable annually on February 15th, commencing on February 15, 2019 and continuing regularly thereafter until loan reaches maturity on February 15, 2038. Interest payments ranging from \$9,543 to \$181,309 are due on the 15th day of February and August commencing on February 15, 2019 through 2038.

CITY OF MISSION, TEXAS
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
September 30, 2018

The City follows these procedures in establishing the budgetary data reflected in the budgetary schedules:

1. The City Manager submits a proposed operating budget for all funds, as mandated by the City Charter, to the City Council 60 to 90 days prior to the beginning of each fiscal year. The operating budget includes proposed expenditures and the means of financing them.
2. The City Council selects the time and place of a public hearing on the budget to obtain taxpayer comments.
3. The appropriated budget is adopted by a majority vote of the City Council, and signed into law by a budget ordinance.
4. The budget amounts used in this report are as amended by the City Council.
5. Budgetary appropriations lapse at the end of each fiscal year.
6. The total estimated expenditures of the General Fund and Debt Service Fund may not exceed the total estimated revenues plus cash on hand of each fund.
7. The current level of budgetary control is the department level within each fund.

Due to the City's budgetary control level (department), the City Council approved several supplemental budgetary appropriations throughout the year. Approved budgetary appropriations increased the following budgets by:

Special Revenue Funds	\$ 2,356,037
Capital Project Funds	\$ 5,682,783

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of resources are recorded to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year end do not constitute expenditures or liabilities because the commitments will be honored during the subsequent year. Significant outstanding encumbrances in the General Fund are classified as assigned.

During the year ended September 30, 2018, four General Fund Department expenditures exceeded appropriations by a total of \$597,766. See Exhibit B-1.

Budget to GAAP Reconciliation (*Continued*)

<u>Expenditures:</u>	<u>General Fund</u>
Actual expenditures (budgetary basis) from the budgetary comparison schedule (Exhibit B-1)	\$43,305,830
Adjustments due to GASB Statement 54:	
Capital Asset Replacement Fund expenditures	106,255
Boys and Girls Club expenditures	<u>749,767</u>
Total adjustments necessary	<u>856,022</u>
Total expenditures as reported on the statement of revenues, expenditures, and changes in fund balances-governmental funds (Exhibit A-5)	<u>\$44,161,852</u>

*OTHER
SUPPLEMENTARY
INFORMATION*

This page left blank intentionally.

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for specific revenues that are restricted to expenditures for particular purposes.

Community Development Block Grant (CDBG): To account for federal funds granted to the City for the sole purpose of improving the health and welfare of the community.

Police Department Special Fund: To account for monies confiscated in drug related cases; expenditures from the fund are restricted for law enforcement purposes.

Police Federal Sharing Fund: To account for federal seizures awarded to the City. Expenditures are restricted for law enforcement purposes.

Municipal Court Technology Fund: To account for collections and expenditures of municipal court technology fee.

Designated Purpose Fund: To account for revenues and expenditures of various grants.

Drainage Assessment Fund: To account for the cost of drainage improvements at problem locations throughout the City. Property owners in the City are assessed a monthly amount according to a set rate schedule.

Cemetery Fund: To account for fees associated with the maintenance of the City's cemeteries. The City currently has three cemeteries that it must maintain: Laurel Cemetery, Catholic Cemetery, and San Jose Cemetery.

Records Preservation Fund: To account for fees collected for providing preservation of records.

Speer Memorial Library Fund: To account for contributions from private sources restricted to the provision of scholarships and library books.

Hotel/Motel Tax Fund: To account for collections and expenditures of hotel and motel taxes to promote tourism.

Municipal Court Building Security Fund: To account for fees collected for providing security to the Municipal Court Building.

Park Dedication Fund: To account for park dedication fees received from developers for new parks and park improvements.

NON-MAJOR GOVERNMENTAL FUNDS (CONT'D)

SPECIAL REVENUE FUNDS (Cont'd)

Juvenile Case Manager: To account for fines collected on fine-only misdemeanor offense cases and fees are to be used only to finance the salary and benefits of a juvenile case manager.

PEG Capital Fund: To account for PEG capital fees received from holders of a state issued certificate of franchise authority that constitute 1% of their gross revenue. These revenues, under state and federal law, must be separated from general fund revenue and may only be used for capital costs of PEG facilities.

Tax Increment Reinvestment Zone Fund: To account for a portion of property taxes levied by the City and Hidalgo County to facilitate the provision of public works or improvements.

Mission Economic Development Authority: To provide development activities that could not be carried out by the Mission Economic Development Corporation. City of Mission management has operational and fiscal responsibility for this component unit. MEDA is presented as a Blended Component Unit - Special Revenue Fund of the City as MEDA's current limited activity exclusively benefits the City.

CAPITAL PROJECT FUNDS

Capital Projects Fund: To account for the construction of capital projects not funded through debt obligations.

2009 Certificates of Obligations: To account for various park improvements, including two new gyms for the Boys and Girls Club Department.

2012 Certificates of Obligations: To account for funding on the Inspiration Street Widening Project.

2016 Certificates of Obligations: To account for the Mission Event Center construction and purchase of property.

PROPRIETARY FUNDS

ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the government’s council is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the government’s council has decided that periodic determination of net income is appropriate for accountability purposes.

Utility Fund: To account for the provision of water and sewer services to the residents of the City and some residents outside the city limits.

Golf Course Fund: To account for the operations and maintenance of Shary Municipal Golf Course.

Solid Waste Fund: To account for the provision of garbage and brush collection for the residents of the City.

STATISTICAL SECTION

This part of the City of Mission's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

<u>Contents</u>	<u>Page</u>
Financial Trends	191
These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed overtime.	
Revenue Capacity	198
These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax.	
Debt Capacity	202
Schedules presented in this section provide information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.	
Demographic and Economic Information	207
These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.	
Operating Information	210
These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.

1. Overlapping rates are those of the City, County, and school districts that apply to property owners within the City of Mission. Not all overlapping rates apply to all City of Mission property owners (for example the rates for La Joya School District apply only to the proportion of the City's property owners whose property is located within the geographic boundaries of the La Joya School District).

2. (Total Tax Rate)-The allocation of operation and debt service is not available at this time for the County, School Districts, Special Districts and the Community College.
