L E T T E R F R O M T H E M A Y O R

Dear Friend of Mission,

My first term as Mayor of the City of Mission has been an exhilarating, exceptional ride!

My colleagues and I on the Mission City Council, together with our city administration and employees, have worked diligently to forge a strong sense of unity, purpose, and service to our community, putting our residents and families at the forefront of every decision we make. We are improving public safety, upgrading, enhancing and expanding our infrastructure such as roads and drainage system, and increasing amenities, events, and activities for ALL of our citizens to enjoy – especially our most vulnerable populations such as the elderly, individuals with special needs, and more.

As we focus inward to support our community within, we also understand the importance of fostering strategies to promote Mission as a regional, state, national, and international leader and economic driving force. We are promoting innovative and strategic regional partnerships, supporting economic development, and attracting new businesses and families to the area. Together, we are helping Mission grow, for the betterment of our entire community.

We are proud of what we have been able to accomplish together, and we know the importance of sharing our

successes with our community members and the public. **As such, I am excited to announce that the City of Mission will be hosting its inaugural State of the City address and luncheon on Wednesday, October 18, 2023 from 11:30 a.m. to 1:00 p.m. at the Mission Event Center (200 N Shary Road) in Mission, Texas.** At the event, we will address the current state of our city, share our successes and accomplishments, and lay out our vision and plans for the upcoming year.

As a friend of the City of Mission, we would like to extend an invitation to you to help support this historic event by contributing your generous sponsorship. Please see enclosed sponsor packet for more detailed information. All sponsors will be recognized at the State of the City Luncheon at their respective level of contribution.

On behalf of the City of Mission officials, employees and residents, we thank you for your support and look forward to seeing you in October!

Sincerely,

Norie Gonzalez Garza
