There was none.

APPROVAL OF MINUTES FOR JUNE 13, 2018

Chairman Sheats asked if there were any corrections to the minutes for June 13, 2018. Mrs. Carlos Lopez moved to approve the minutes as presented. Mr. Jaime Gutierrez seconded the motion. Upon a vote, the motion passed unanimously.

Started: 5:08 p.m.

Ended: 5:11 p.m.

Item #1.1

Rezoning:

A 1.81 acre tract of land, more or less, out of Lot 28-1,
West Addition to Sharyland Subdivision
AO-I to C-3
Juan P. Quintanilla

Mr. Acevedo went over the write-up stating the subject site is located at the South East corner of West 2 Mile Road and Inspiration Road.

SURROUNDING ZONES: N: C-3 General Commercial & R-1 Single Family Residential
E: AO-I – Agricultural Open Interim

W: C-3 – General Commercial
S: R-1 – Single Family Residential

EXISTING LAND USES: N: Commercial & Residential
E: Residential
W: Vacant Commercial
S: Residential
Site: Vacant

FLUM: General Commercial (GC)

REVIEW COMMENTS: The land uses reflect the zonings shown above. The Future Land Use Map reflects a General Commercial (GC) land use, too; thus, C-3 is directly consistent to the GC designation.

RECOMMENDATION:
Approval.

Chairman Sheats asked if there were any comments from the Board.

There were no comments from the board.

The Applicant, Mr. Juan P. Quintanilla, was present to address any questions from the board.

Chairman Sheats asked the Applicant if he informed Staff about any future commercial uses for the site location.

Mr. Quintanilla stated, "I submitted plans to Planning and Zoning for a carwash on the south side and the northwest corner for leasing offices."

Chairman Sheats once again asked if there were any objections from Staff or audience for this particular rezoning.

There being no further discussion, Chairman Sheats entertained a motion. Mr. Jaime Gutierrez moved to approve the rezoning as per staff's recommendations. Mr. Carlos Lopez seconded the motion. Upon a vote, the motion passed unanimously.

Started: 5:12 p.m.

Ended: 5:15 p.m.

Item #1.2

Rezoning: A .99 acre tract of land, more or less, out of Lot 28-1,
West Addition to Sharyland Subdivision
AO-I to C-4
Juan P. Quintanilla

Mr. Jaime Acevedo went over the write up stating the subject site is located at the South East corner of West 2 Mile Road and Inspiration Road.

SURROUNDING ZONES: N: C-3 General Commercial & R-1 Single Family Residential
E: AO-1 – Agricultural Open Interim
W: C-3 – General Commercial
S: R-1 – Single Family Residential

EXISTING LAND USES: N: Commercial & Residential
E: Residential
W: Vacant Commercial
S: Residential
Site: Vacant

FLUM: General Commercial (GC)

REVIEW COMMENTS: The Future Land Use Map reflects a General Commercial (GC) thus reflecting that C-3 would be the highest allowable commercial use for this area. Rezoning to C-4 would appear to have a definite impact to the entire neighborhood south especially with regards to land values and re-sale potential.

RECOMMENDATION: Denial of C-4 but consideration of C-3 approval.

Chairman Sheats asked if there were any questions from the commissioners to Staff.

There was none.

The Applicant, Mr. Juan P. Quintanilla, was present to answer any question the Board might have.

Chairman Sheats asked Applicant if he was okay with having the whole property as a C-3, and not the portion of a C-4?

Mr. Quintanilla replied, "Yes, I am okay with it."

Chairman Sheats asked if there was any audience opposition to the rezoning.

There being no further discussion, Chairman Sheats entertained a motion. Mr. Julio Cerda moved to approve the rezoning as per staff's recommendations to a C-3. Mr. Jaime Gutierrez seconded the motion. Upon a vote, the motion passed unanimously.

Started: 5:15 p.m.

Ended: 5:18 p.m.

Item #1.3

Rezoning: A tract of land out of the Northwest 9.96 acres of Lot 203,
John H. Shary Subdivision
C-4 to R-1T
Eduardo Careaga

Mr. Jaime Acevedo went over the write-up stating the subject site is located 800' south of Business Highway 83 along the west side of Ragland Drive.

SURROUNDING ZONES: N: C-4 Heavy Commercial & R-3 Multi-Family Residential
E: R-3 – Multi-Family Residential
W: R-2 – Duplex Fourplex Residential
S: R-4 – Mobile & Modular Home

EXISTING LAND USES: N: Mission Lateral
E: Residential
W: Residential
S: Residential
Site: Vacant

FLUM: General Commercial (GC)

REVIEW COMMENTS: The land uses reflect the zonings shown above. The Future Land Use Map reflects a General Commercial (GC) land use, too; thus, R-1T is a less dense land use and a good fit as everything south and west of this property is Moderate Density Residential.

RECOMMENDATION: Approval.

Mr. Jaime Acevedo stated the site is currently home to a daycare that is operating under a C-4. The intent would be to redo this area as residential townhome lots which Staff has no objections to.

Chairman Sheats asked if there were any comments from the Board.

Mrs. Marisela Marin had a question with respect to drainage.

Mr. Acevedo stated it would have gone through an engineer and plat this property correctly.

Mr. Eduardo Careaga, Applicant, was present to answer any questions the Board might have. He reiterated that his plan is to do townhouses.

Chairman Sheats asked how many units?

Mr. Careaga replied, "Right now we have an engineering study with at least 18 units."

Mr. Acevedo commented this item will come back to planning and zoning for the development, right now it is just an item for rezoning.

Chairman Sheats asked for any audience opposition.

There being no further discussion, Chairman Sheats entertained a motion. Mrs. Marisela Marin moved to approve the rezoning as per staff's recommendations. Mr. Julio Cerda seconded the motion. Upon a vote, the motion passed unanimously.

Started: 5:19 p.m.

Ended: 5:25 p.m.

They have a distribution contract with L&F Distributors for 250 kegs per month. The backbone of the company is manufacturing and distribution base. The goal is to get the product back into the community at bars and local restaurants.

Chairman Sheats asked, "Are Saturday's intended for meet and greet?"

Mr. Rice stated, "There are craft beer enthusiasts, so there are actual craft beer road maps, and we are hoping to be a staple stop."

Chairman Sheats inquired as to the specific "brew pub license?"

Mr. Rice replied, "The brew pub license allows us to manufacture, distribute, and self-consume on-site. This is relatively new since this has only been around since 2014."

The Board expressed their congratulations to the Applicant.

Chairman Sheats asked if there were any audience opposition.
