

City of Mission Job Description

Job Title:	<u>Heavy Equipment Operator II</u>	Classification:	Non-Exempt
Department:	Sanitation	Division:	
Supervisor:	Sanitation Supervisor	Effective:	06/16/2014

I. JOB SUMMARY

Operates and maintains heavy equipment to include front, side and end loader, residential side loader, roll-off truck, roll-off compactor, bulldozer, backhoe and street sweeper. Drives vehicle to worksite. Performs routine maintenance on equipment before operating such as lubricating, fueling, and cleaning. Maintain machine (s) by lubricating moving parts such as universal joints, steering knuckles, and all other grease fittings on the machines (s) as needed by maintenance schedule. Check fluid levels in steering gear box, transmission, differential, radiator, and other machine fluid containers each day. Checks air pressure in tires. Fills fuel tank with proper fuel at the beginning of each operation day. Records and submit routine reports with required information about usage and maintenance on proper records on each machine. Checks machine (s) for excessive wear points and/or broken parts and report the information on appropriate forms to the supervisor. Cleans equipment as needed or as scheduled on machine maintenance logs. Individual will perform other duties assigned by supervisor as needed.

II. EDUCATION REQUIREMENTS

- High school diploma or GED preferred, but not required.
- One to three years related work experience.
- Knowledge of the geography of the City of Mission.

III. EMPLOYMENT REQUIREMENTS

- Applicant will be subject to a complete background investigation. Incomplete, inaccurate and/or failure to report information will cause the applicant rejection from consideration.
- Applicant must take and pass a drug, physical, and pre-placement screenings administered by the City of Mission doctor at the City's expense.
- Applicant must have a current valid Texas CDL Class A license issued by the department of Public Safety with no moving violations over the past two (2) years.

IV. SKILL AND ABILITY REQUIREMENTS

- Ability to establish and maintain effective working relationship with the general public, supervisor and co-workers.
- Ability to effectively perform duties with minimum supervision.
- Ability to follow both written and verbal instructions that require individual thought.
- Ability to make decisions based on verifiable criteria.
- Ability to perform a wide variety of different types of tasks without the variety itself causing a loss of efficiency.
- Ability to work to precise tolerances and standards.
- Ability to remember locations of water valves and mains.

Job Title: **Heavy Equipment Operator II**

con't – page 2

- Ability to perform repetitive work on a continuous basis.
- Ability to produce work to precise tolerances and/or standards.
- Ability to interpret city policy and procedures relative to job duties.
- Ability to maintain accurate records as required on unit (s) operated.
- Ability to make decisions for safe operation of unit (s) to be operated and other work activities, such as: machine operation, surrounding areas such as electric lines/poles, buildings, vehicles, and personnel.
- Ability to work effectively and efficiently without constant supervision and maintain work schedule as directed by supervisor.
- Ability to read and interpret documents such as safety rules and city policy procedures.

V. ESSENTIAL JOB FUNCTIONS
