

NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF MISSION

A tax rate of \$0.5212 per \$100 valuation has been proposed for adoption by the governing body of City of Mission. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Mission proposes to use revenue attributable to the tax rate increase for the purpose of public safety capital outlay and street improvements.

PROPOSED TAX RATE	\$0.5212 per \$100
PRECEDING YEAR'S TAX RATE	\$0.4862 per \$100
EFFECTIVE TAX RATE	\$0.4844 per \$100
ROLLBACK TAX RATE	\$0.5411 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Mission from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that City of Mission may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
