**(14)** Evaluation and Basis for Award

(A) Item Pricing/Potential Multiple Awards

Offerors may provide pricing for any one or more-line items on price schedule. Award of contract shall be made on an item-by-item basis. As such, multiple contract awards may be made. The City reserves the right to have a pool of contracts.

- (a) If the competitive sealed bidding requirement applies to the contract for goods or services, the contract must be awarded to the lowest responsible bidder or to the bidder who provides goods or services at the best value for the municipality.
- (b) In determining the best value for the municipality, the municipality may consider:
  - 1) the purchase price;
  - 2) the reputation of the bidder and of the bidder's goods or services;
  - 3) the quality of the bidder's goods or services;
  - 4) the extent to which the goods or services meet the municipality's needs;
  - 5) the bidder's past relationship with the municipality;
  - 6) the impact on the ability of the municipality to comply with laws and rules relating to contracting with historically underutilized businesses and nonprofit organizations employing persons with disabilities;
  - 7) the total long-term cost to the municipality to acquire the bidder's goods or services; and
  - 8) any relevant criteria specifically listed in the request for bids or proposals.

(B) Estimated Quantities

The quantities specified in the Schedule are estimates only, are used as a basis for determining award of the contract. Purchases will be made in amounts needed and on an as needed basis.

(C) Unit and Extended Pricing

Offerors shall insert the unit price and extended amount for each line item offered on the price schedule. If a line item is offered at "No Cost," enter "No Cost" in the unit price column. Additionally, offerors shall calculate and insert the total price in the space provided on the price schedule. In the event of discrepancies in extended price, unit prices will govern. Cost for delivery is to be included in the unit and extended price. Bids subject to unlimited price increase will not be considered.

(D) All or None Pricing

Failure of an offeror to provide prices for all line items listed on the Schedule shall be cause for rejection of the entire offer. However, an offeror may enter "No Cost" in the unit price and extended amount columns to indicate that the item is being offered at "No Cost."

**(15)** Sample Requirements

Upon request, the bidder agrees to supply at no cost to City samples of the products proposed for testing prior to contract award. Samples will be available and submitted to City within five (5) days of request, oral and written, by City and will be returned at bidder's cost only on request from the vendor after testing is complete. Parts returned may not be in the same condition as originally sent to and received by City. Function test (if required) is verification that the parts meet the manufacturers specification and/or performance requirements.

**(16)** Descriptive Literature

- (a) Bidders shall submit, along with the Pricing Schedule, descriptive literature for all items that are not described by specific manufacturer, and/or for items that the bidder is offering as an "Equal Brand Name." Descriptive

literature must be (1) received by the time specified in this solicitation for receipt of bids, and (2) clearly marked to identify the specific item(s) of the bid to which it applies.

- (b) "Descriptive literature" means information furnished, such as cuts, illustrations, drawings, and brochures that clearly shows an item's characteristics, construction, or explains its operation.
- (c) Descriptive literature is used to determine whether the item(s) offered comply with the solicitation requirements. It is used to identify details of the item(s) pertaining to such significant elements as: (1) design; (2) materials; (3) components; (4) performance characteristics; and (5) methods of manufacture, assembly, construction, and/or operation. Descriptive literature includes only that information required to determine the technical acceptability of the offered product. It does not include other information such as that used to determine a prospective contractor's responsibility, or for maintaining the item(s).
- (d) Failure of a bidder to submit descriptive literature on time, or failure of the descriptive literature to clearly show that the item(s) offered conform to the requirements of this solicitation shall result in rejection of the bid as nonresponsive.

(17) When delay can be foreseen, bidder shall give prior notice to the City of Mission. Bidder must keep City of Mission advised at all times of status of order. Default in promised delivery (without acceptable reasons) or failure to meet specifications, authorizes the City of Mission to purchase such deliver/service **"Storm Drainage Materials"** off contract.
